Premium Checks Void After October 25, 2017
TO: ALL FAIR SECRETARIES
Exhibitors at each fair should be well aware of the procedures for removal of exhibits from your fairgrounds. These procedures should be incorporated within your premium books.

Each person that visits your fair is entitled to view all exhibits. As a general rule, no exhibit should be released prior to 8:30pm the last day of your fair. Since the Department of Agriculture and Markets is responsible for reimbursement of certain premiums, we have a responsibility to regulate exhibits receiving these premiums. Any exhibit removed early, without your approval, will not be eligible to receive premium money, or ribbons.

Exhibits removed early for entry in the State Fair will be eligible for premium reimbursement only if you have granted the exhibitor permission for early removal. The Agricultural Coordinator at the State Fair will provide validation of entries if requested.

If I can be of any assistance, do not hesitate to contact me.

Agricultural Fairs Liaison

“YOUR COMMENTS, PLEASE”

Any suggestions on this book will be appreciated. Write Premium Secretary, care of Boonville Fair.

********************************************************************
STATE OF NEW YORK
DEPARTMENT OF AGRICULTURE AND MARKETS
PART 350
STANDARDS FOR CONDUCT OF FAIRS

SECTION
350.1 Fair sponsor; definition. For purposes of this Part a fair sponsor shall mean any organization that receives money from the State for promotion of agriculture and domestic arts pursuant to article 24 of the Agriculture and Markets Law.

350.2 No fee for 4-H, F.F.A., junior fair or school department exhibits. No entry fee shall be charged for 4-H Club, F.F.A. and Junior Fair exhibits entered for competition in their own classes, or for entries in school department.

350.3 Prompt, full payment of premiums. All premiums advertised and awarded must be paid promptly and in full without deduction in the guise of donations or otherwise, notwithstanding any statement to the contrary or in modification thereof announced or stated in the premium book.

350.4 No premium for unworthy exhibit. No premium should be awarded by any judge or paid by any society for an unworthy exhibit.

350.5 Premium amount to attract well-balanced exhibits. The amount of premium offered in the various departments should be such as to secure well-balanced exhibits in light of the types of agriculture carried on in the territory served by the fair.

350.6 No exhibits by judges in the departments they oversee. No judges shall be permitted to enter exhibits in competition for premiums in the department with which they are connected.

350.7 Exhibits to be plainly labeled. All exhibits must be plainly labeled so that the full significance of the exhibits will be made clear.

350.8 Re-exhibition in domestic department. No article shall be exhibited in the domestic department if it has been previously exhibited therein, unless permitted by official action of the board of directors of fair sponsor.

350.9 Ownership of exhibits entered in fairs and shows.
(a) All exhibits shall be entered in the name of the exhibit owner; provided, however, that any animal exhibit entered in a youth fair, youth exhibition, or 4-H show or exhibition may be entered in the name of the exhibitor.
(b) Exhibits shall have been owned by the exhibitor for a period of at least 30 days prior to entry of the exhibit; provided, however, that any animal exhibit entered in a youth fair, youth exhibition, or 4-H show or exhibition shall have been in the care of the exhibitor for a period of at least 60 days prior to entry of the exhibit.
(c) Proof of ownership of any exhibit shall be provided by the exhibitor, upon request to the fair sponsor.
(d) The fair sponsor may limit the number of breeds shown by any exhibitor.

350.10 Rejection or refusal of an exhibit. Any fair sponsor shall reserve the right to reject or refuse and to order the removal of any exhibit which, in the opinion of its Board of Directors, is not eligible or worthy of showing or has not met the livestock health requirements set forth in Part 351 of this Title.

350.11 Compliance with and enforcement of livestock health requirements. Each fair sponsor shall comply with and enforce the livestock requirements set forth in Part 351 of this Title.
The Animal Health Requirements for the 2017 county fairs and the New York State Fair and other relevance documents are now available online. We will not be mailing the requirements to save printing and mailing expense. You can find the requirements by going to:

http://www.agriculture.ny.gov/AI/AIHome.html and scrolling down the page until you find the section “County and State Fair Information.” The specific links are as follows:

2017 Fair Animal Health Requirements:
2017 Fair Interstate Health Requirements:
Exhibitor Pre-fair Guidelines:

Please forward this information to appropriate staff. The document is in PDF format which should facilitate publishing in your fair premium book. If you have difficulty with our website or have any issues with obtaining the documents you can contact me at james.gray@agriculture.ny.gov or (518)457-3502. You can also request a Microsoft Word version at my email address.

Notice on Poultry Exhibition: The decision has been made to allow poultry exhibits at fairs for the 2016 fair season. Please be aware that this decision is subject to change if there is a significant highly pathogenic avian influenza event in New York or elsewhere in the country. Many fairs came up with alternative programs in response to the 2015 ban. It is suggested that contingency plans be in place in case if it becomes necessary to cancel the poultry shows.

For 2017 llama and alpacas must now be identified by microchip or official eartag. Drawings and photographs are no longer acceptable. Also a section of Prefair Exhibitor Guidelines has been added at the end of the requirements and is also available as a separate document for easy distribution. The purpose of this section is to help guide the exhibitors through the process of meeting the fair requirements and hopefully avoid issues at the fair.

The Department will supply tags and pliers to veterinarians and Cooperative Extension offices that have a need to identify swine going to fairs. We also have plastic official eartags for cattle that can be supplied to CCE for cattle projects.

The summary of interstate health requirements is also available on the website. You may wish to supply this information to your out of state exhibitors including petting zoos, rodeos, racing pigs, circuses, etc. to help avoid problems at fair time. You will also find a listing for poultry pullorum clinics that will be updated as the information is available.

Representatives of the Division of Animal Industry will be in contact with their assigned fairs to review these requirements and address any concerns prior to the fair. Questions can also be directed to our office at (518)457-3502 or james.gray@agriculture.ny.gov
352.1 Definitions
a) Commissioner. The Commissioner of New York State Department of Agriculture and Markets.
b) Department. New York State Department of Agriculture and Markets.
c) Director. The Director of the Division of Animal Husbandry of the New York State Department of Agriculture and Markets.
d) Drug. Any drug, medication, stimulant, depressant, hypnotic, or narcotic used in the diagnosis, cure, mitigation, treatment, or prevention of disease in man or other animals.
e) Fair. All agricultural fairs and expositions, including the New York State Fair, which hold pulling contests and receive premium reimbursement from New York State.
f) Horses. All members of the family Equidae.
g) Laboratory. A laboratory designated by the Commissioner to perform tests on official samples of blood, saliva, and urine.
h) Official Sample. A blood sample, a saliva sample, or a urine sample obtained from a horse entered in a pulling contest for a test.
i) Test. A test performed at a laboratory on an official sample to determine the presence of drugs.
j) Veterinarian. A veterinarian licensed and accredited by New York State and authorized by the Director to take official samples.

352.2 Prohibition.

a) No person shall enter or drive a horse which has a veterinarian of at least four horses chosen by lot in every weight class. Each horse entering each weight class shall be identified by number. Numbers shall be drawn by lot until at least four horses are designated for sampling.
b) The veterinarian or any judge may also require that an official sample be taken of any horse not included in the selection specified in subdivision (a) of this section if in his or her opinion such a sample is necessary to assure the integrity of the testing program.
c) Each official sample shall be submitted by the veterinarian to a laboratory for a test. Test results disclosing the presence of drugs shall be forwarded to the Director who shall notify the fair concerned and shall give written notice thereof by regular mail, personal service, or certified mail to the owner or the person having care, custody, or control of the horse.

352.4 Assistance in the enforcement of this Part.

a) The owner or the person having the care, custody, or control of any horse shall present such horse for appropriate sample collection when so directed by the veterinarian, and shall restrain the horse and supply the assistance necessary for the veterinarian to obtain the official sample. Failure of the owner or the person having care, custody, or control of a horse to submit it for testing or failure to provide adequate assistance to the veterinarian in obtaining an official sample shall result in forfeiture of all rights to premium paid for the contest for which the sample was to be collected and immediate exclusion from participating in future pulling contests at fairs.
b) Responsibility of fairs. Each fair shall comply with and assist in the enforcement of this Part and provide such restraint facilities and lighting as may be required by the department.

352.5 Penalties.
The owner of any horse which tests positive for the presence of drugs shall be held responsible for the violation.

a) First violation. Within fifteen days from the date of the first violation, the owner shall return to the Director for refund to the appropriate fair, any premium awarded in the pulling contest for which the sample was taken. The owner shall be subject to a penalty pursuant to Agriculture and Markets Law Section 40.
b) Second violation. Within fifteen days from the date of the second violation, the owner shall return to the Director for refund to the appropriate fair, any premium awarded in the pulling contest for which the sample was taken. The owner shall be subject to a penalty pursuant to Agriculture and Markets Law Section 40.
c) Third violation. Within fifteen days from the date of the notice of the third violation, the owner shall return to the Director for refund to the appropriate fair, any premium awarded in the pulling contest for which the sample was taken. The owner shall be subject to a penalty pursuant to Agriculture and Markets Law Section 40. Further, the owner shall thereafter be prohibited from participating in pulling contests at fairs for two years from the date of the notice of the third violation.
d) Succeeding violations. Within fifteen days from the date of the notice of succeeding violations, the owner shall return to the Director for refund to the appropriate fair, any premium awarded in the horse pulling contest for which the sample was taken. The owner shall be subject to a penalty pursuant to Agriculture and Markets Law Section 40. Further, the owner shall be prohibited from participating in pulling contests at fairs for five years from the date of notification of the succeeding violation.
e) Failure to return the premium within the fifteen day period will result in the exclusion of the owner from participation in pulling contests at fairs thereafter, unless a request for hearing has been made pursuant to subdivision (f) of this section.
f) If, within fifteen days from the date of the notice of any violation, the owner makes a written request to the commissioner for a hearing, the commissioner, upon reasonable notice to all parties and to the fair at which the pulling contest was held and at which the sample in question was taken, shall fix a date for a hearing to be held pursuant to Article 3 and the rules and regulations of the New York State Department of Agriculture and Markets.
g) Each request for a hearing must be accompanied by security deposit in the form of a certified check or money order equal to the amount of premium moneys received in the pulling contest at which the alleged violation occurred. If, subsequent to the date of the pulling contest at which the violation occurred and before the determination is made upon the hearing, the owner receives any premium moneys from any other pulling contests in fairs, the amount of the security deposit shall be increased by the amount of such premium.
h) After such hearing, the commissioner shall issue a determination and order setting forth any penalties which shall be assessed and the grounds upon which they are based, and any premium moneys which must be returned. The security deposit shall be applied to the payment of premium monies. Any balance of security deposit funds remaining after such payments are deducted shall be returned.

Association Rules & Regulation

All rules and regulations hereby adopted by the Directors of the Association shall govern the operations of the fair, or any other use, rented or otherwise, and apply to all departments, premium books, publications whether specifically printed under such department rules or not.

Said rules and regulations are made a part of the premium book and the conditions under which all entries are accepted, and/or apply to exhibit space or concession contracts and including space rented to the carnival operation.

The Boonville Fair Association, Inc. management reserves the final and absolute right to interpret any and all of these rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of, connected with or incidental to the fair and its operation.

The Fair management reserves the right to amend and to add to these rules and regulations as, in its judgment, may be deemed advisable.

Any person who desires to enter competition for premium monies or prizes or ribbons or such other awards as presented for an event shall have accepted these rules and regulations, and any person who violates any of the following general rules and regulations or any special rule or rules shall forfeit all privileges and premiums and be subject to any such penalty as the management may order.

All persons entering upon the fairgrounds, with or without permission, paid or free, for any reason or purpose, agree to hold the Boonville Fair Association, Inc., its offices, directors, superintendents, agents and employees harmless from any loss, damage, injury, death, or disability from any cause to person or property.

All rules and regulations apply to the fairgrounds as well as to land rented by and or used by the association.
PLACING AND WITHDRAWING ENTRIES

1. All articles except hereinafter stated must be in their place on or before 3:00 P.M. MONDAY to compete. All livestock must be in by 12:00 noon on Tuesday.

2. Flowers must be in their places by 9 A.M. WEDNESDAY to compete. No flower exhibits will be accepted before Tuesday morning.

3. The Board of Directors requires that all articles must remain on the grounds until 8:30 P.M. SUNDAY, ON THE LAST DAY OF THE FAIR, to entitle their owners to a premium (see letter inside cover).

COMPETITION

4. Premiums will not be paid on animals or articles of inferior merit, although there may be no competition. The committee will award no premiums without competition unless they deem the claim meritorious.

5. No animal or articles will be allowed to compete in more than one class or placed in competition for more than one premium, except animals entered for group awards classes, horse pulling or horse shows.

6. In no case can the judges award special or discretionary premiums, but may recommend to the board of directors any animals or articles in their class which they deem worthy of special notice, and for which a premium has not been offered.

7. Pure Bred cattle to be entitled to premium must be registered. Registration papers must be produced at the time cattle are judged. This includes all ages.

ENTERING EXHIBITS

8. Check with 4-H, FFA, SCHOOL EXHIBITS, OR EACH DEPARTMENT'S RULES.

9. All persons desiring to become exhibitors should be thoroughly familiar with the general rules and regulations and with the premium list in the several classes in which they intend to compete.

10. All animals or articles must be registered on the secretary's books upon entering the grounds, and their owners will receive cards numbering and classifying them.

11. Each and every exhibit of livestock, crops or products, should be plainly labeled with the proper breed or variety name so that exhibits may be recognized or distinguished. Such labeling should be done by the exhibitors.

ENTRY INFORMATION

12. Passes and Tickets: See Department rules. Gate Admission STARTS 8:00 AM TUESDAY.

13. Entries will be received at the office of the Premium Secretary, Mary Louise Witt, 502 Post Street, Boonville, N.Y. 13309. Entries may be made by mail, provided entry fees accompany entry.

14. ALL ENTRY BOOKS WILL CLOSE AT 6:00PM THURSDAY EVENING, BEFORE THE START OF THE FAIR. UNLESS DEPARTMENT INDICATES A DIFFERENT DATE. It is desirable that entries be made as far as possible the week before the fair, and when convenient exhibitors should not wait until Thursday, but get the lists in early in the week.

14. All exhibitors must make a list of their entries, giving their name and post office address, also the name of articles, the department, section and class.

15. All entry blanks will be found in each premium list and may also be procured on request from Premium Secretary.

16. Please use care when filling these forms out.

17. All livestock must be entered in the name of the actual owner: all objects or articles, except old relics, in the name of the maker or producer. Any person entering any article in violation of the foregoing rules shall forfeit all premiums.

18. The rules printed herein are made part of the conditions under which all entries of exhibitors are made, and exhibitors are respectfully requested to read them carefully, thereby avoiding confusion at the time of the fair.

CARE OF ENTRIES

19. All livestock on exhibition must be led in the ring by their owners or attendants for examination by the judges and stock not thus presented when called by the superintendent will be assumed as not being in competition for the premiums.

20. All livestock exhibited on the grounds must be provided with ropes or halters sufficient to tie them securely to posts provided for that purpose.

21. The Association will take every precaution for the safe keeping of all livestock, articles and goods of exhibitors, but assumes no responsibility in case of loss or damage, and upon this condition entries are received.

JUDGING

22. No person will be allowed to interfere with the judges during their adjudication and the person who shall attempt to interfere with them, whether verbally or otherwise, shall be excluded from competition.

23. Judges will be required wherever it is possible to publicly explain their reason for the placing of premiums.

24. All judging of livestock will take place in a ring provided and exhibitors must have their entries ready at ringside when called for.

25. The decision of the judge(s) shall be final in all cases, except where mistakes, frauds, or misrepresentations are shown. In all such cases, the Department Superintendent or the Directors, or such referee as selected by the Directors, shall decide.

PAYMENT OF PREMIUMS

26. PREMIUM CHECKS WILL NOT BE PAID UNLESS CASHED ON OR BEFORE OCTOBER 25, 2015 AND WILL REVERT TO THE ASSOCIATION AND BE CONSIDERED AS DONATIONS. NO REPLACEMENTS IN 2015.
GENERAL LIVESTOCK RULES

The management assumes no responsibility in case of loss or damage to stock or other exhibits from any cause and upon this condition only are exhibits received.

The clerk of each department shall record in the judge’s book the Association numbers and the Superintendent shall check these numbers before the judging begins.

Official breed signs will be furnished if needed.

Livestock must be kept clean and manure removed as often as necessary.

Stalls must be provided by the exhibitors.

All entries of cattle and other animals will be limited to the capacity of association’s buildings or tents, and will be recorded in the order received. The management reserves the right to reject all entries after the capacity is reached. No animals or articles will be entitled to a place on the grounds until proper entry thereof shall have been made, except in the case of an emergency, and only at the discretion of the Superintendent of such department. In paying premiums, no evidence of award shall be recognized except the Judges’ books properly signed by the Judges and not from ribbons that may be attached to exhibits.

PERMITS AND PRIVILEGES FOR SPACE RENTAL

The following rules and regulations apply to all space rented by a concessionaire(s) in any building, tent or on the midway whether independent or carnival controlled. The Management will authorize the letting of only such privileges and concessions as its officers or superintendents deem acceptable or necessary to supply the patrons of the fair (or such other event sponsored) with comfort, convenience or pleasure but under no circumstances will a privilege of a questionable nature or of a demoralizing tendency be tolerated. No space privilege or concession will be let, rented, donated or otherwise tolerated, to or for any cause organization (education) or otherwise that shall be deemed to be unsuitable by the Management, and/or not entertained to the patrons of any or all ages. The Management reserves the right to determine in advance whether any such applications for space meets its approval in above paragraph and also reserves the right to cancel at any time for reason satisfactory to it, any or all contracts that violate the above paragraph. Each concessionaire must confine exhibit to the space assigned, failure to do so is automatic forfeiture of the privilege without repayment, refund or recourse.

Concessionaires must abide by the rules and regulations here outlined as well as abide by the laws of the State, County, Town, or village as may apply. Failure to comply is automatic forfeiture of the privilege without repayment, refund, or recourse.

The Management will use every precaution to assure that all concessionaires will conduct themselves and the exhibit involved in a legitimate and trade fair manner. Likewise, The Management will not tolerate any act or acts of extortion in any form. There shall be no gambling or gambling devices whatever at the fair or other event held on the fairgrounds. There shall be no selling of raffle tickets or chances during the operation of the fair.

While representatives of various religious and political groups in an exercise of their first amendment rights, may attempt to distribute materials on the midway or byways of the fairgrounds and to solicit donations, these solicitations will not be tolerated by the Management and the Management will make every effort to limit such activities. Should legal action of any nature grant such a religious or political organization exceptions, said group or groups will be confined to space rented and paid at the existing rate per foot, and the sale or distribution of any merchandise, including printed or written material shall be prohibited except for a permit or license issued by the Management and only from a duly licensed location.

The Management shall have the right to remove from the fairgrounds any exhibit, animal, concession, show, banner, advertising material deemed unsuitable or objectionable and without assigning any reason therefore.

No sign, poster, banner shall be attached to any tree, building or otherwise unless with expressed and explicit consent of the Management. No advertising materials shall be distributed except in or from a booth or space rented or assigned to a specific concessionaire. No Exhibitor or concessionaire is permitted to sublet or assign his space without prior approval of the Superintendent or Director in charge.

Included in these rules and regulations for exhibitors is reference to the Agricultural and Horticultural Corporations (Not for profit Corp. Law S1409) Paragraph g “Such Corporation (meaning fair society) may regulate or prevent all kinds of theatrical, or circus, exhibitions and shows, huckstering and traffic in fruits, goods, wares and merchandise, or whatever description, and shall prevent all kinds of mountebank exhibitions or shows for gain on the fair days on such fairgrounds, and also within a distance of two hundred yards of the fairgrounds of the corporation. IF IT SHALL DETERMINE THAT THEY OBSTRUCT OR INTERFERE WITH THE FREE and uninterrupted use of the highways around and approaching such fairgrounds. “ Exhibitors will be allowed to sell goods and to receive orders for goods assuming that proper payment has been made for the privilege.

All sound-producing exhibits must be of such nature as to not cause annoyance or inconvenience to the visitors or patrons of other booths.

Exhibitors wishing to erect separate buildings or additional work in buildings or elsewhere should make request in advance. In all such cases the exhibitors must bear the expense. Any structure erected and not removed within agreed number of days shall become the property of the Association.

Charges for electricity and power shall be made to exhibitors and concessionaires in keeping with the schedule on file in the office of the Treasurer and which will be furnished upon request. Charges will also be made for the use of the trailer parks for electricity and water.

No supply truck will be admitted to the grounds any day of the fair after 10:00 a.m., emergency vehicles excluded. No supply truck or service will be allowed on the grounds unless such supplier is the exclusive dealer and has a contract with the Association.

All food concessions will purchase foods and supplies exclusively with those individuals or companies with who such contractual arrangements have been made by the Association.

Automobiles and all other vehicles must be parked on space designated by the Management. The Management is not liable under any circumstances whether of negligence of itself, its agents or otherwise for any injury to any automobile or to property contained therein. All spaces allotted shall be appropriately decorated by the exhibitor or concessionaire at his/her expense. The Association does not provide commercial exhibitors with chairs, tables or other materials. No exhibitors or concessionaires are allowed to remove any of their display before 8:30PM THE LAST DAY OF THE FAIR.
OTHER RULES AND REGULATIONS

The Board of Directors is aware of the fact that the N.Y.S. Agriculture and Markets Law provides for the treatment of animals for the purpose of preventing cruelty to animals, therefore, endorses a policy that all exhibits of animals of any kind, either by the Association, or any exhibiting organizations or individuals at the Fair shall at all times comply with the space or permission to exhibit will be automatically revoked and annulled should there be any violations of such Article of Law, or should there be any cruelty of any kind to any animal on display or otherwise. Further, no animal may be given away as a prize or premium at fair or carnival operations and no domestic animals may be advertised or given away in any part of the fair premiums.

No open containers of alcoholic beverages shall be carried on the fairgrounds or midways and shall not be visibly obvious during competitive events. No dogs will be permitted on the fairgrounds unless on a leash. All dogs must have rabies vaccination and certificate.

No unregistered vehicles, motorcycles, field bicycles or otherwise shall be used during the week of the Fair or at any other time.

No intoxicating beverages shall be sold on the fairgrounds at any event, function or party whether on the grounds or in a building without the express consent of the Association. The Association reserves the right to be the purveyor of any such beverages at any given function. Should consent be given for the sale or use of such beverages, Liquor Legal Liability Insurance limits of $2,000,000 must be provided three days before the scheduled event.

All vendors must have Certificate of Authority on display for sales tax Dept. Association is not responsible for failure of vendor to be properly posted.

All rules and regulations as hereby outlined apply to the fairgrounds as well as to any grounds rented or leased by the Association during the event or Fair.

REGULATIONS FOR CAMPGROUNDS AT BOONVILLE FAIR

1.) The Boonville Fair Association, Inc. reserves the right to limit the number of RV’s and other living quarters used for temporary living during the week of the Fair. An application shall be completed before a camping area is assigned, with preference going to Exhibitors, Directors, and Entertainers. The Association does not guarantee an on-grounds location/site. A fee will be charged according to the site location, facilities used, and length of stay, and purpose of stay.

2.) Temporary housing sites (camping sites) will be assigned by the Camping Superintendent ONLY.

3.) All sites equipped with sewer will require the occupant to have a sewer ring collar on the sewer connection. There will be NO DUMPING OF WATER ON THE GROUND. Leaking hose connections MUST BE CORRECTED. Daily inspections will be made. Violators will be given notice to corrections that need to be made. These must be accomplished immediately. Second time violators will be removed from the grounds. Holding tanks will be available to rent from the Association for the collection of Gray Water only.

4.) A BACK FLOW PREVENTER MUST BE USED ON ANY FAUCET ON THE FAIR GROUNDS. ONLY ONE “Y” CONNECTION PERMITTED PER FAUCET. THE “Y” MUST BE AT THE BACK FLOW PREVENTER. NOT ON THE HOSE LINE.

5.) NO CAMPER IS ALLOWED TO MAKE ANY ELECTRICAL CONNECTIONS EXCEPT WITH APPROVED ELECTRICAL CONNECTOR. DETERMINATION WILL MADE BY CAMPGROUND SUPERINTENDENT OR BOONVILLE FAIR ELECTRICIAN. Electric cord to trailers must be at least a #12 wire.

6.) Dogs will be chained or tied at each campsite so as not to interfere with daily inspections of campsites. A maximum of 2 dogs will be allowed on each site (except when part of entertainers show). Each dog or cat on the fairgrounds is REQUIRED or have an up-to-date RABIES VACCINATION CERTIFICATE. Certificate will be checked by Fair Official. Each owner is requested to clean up after your dog or cat.

7.) All trash in area of campsite will be picked up each day and deposited in trash containers located around the fairgrounds.

8.) All campers are expected to refrain from loud noises at night after a reasonable hour (usually around the time of the closing of the midway) and/or no later than 12:00 midnight.

9.) BECAUSE OF NEW STATE HEALTH REGULATIONS NOawnings WILL BE ALLOWED EXCEPT IN DESIGNATED SPACES.

10.) It is recommended that all trailers be equipped with a suitable fire extinguisher. This should be at least a 5 BC extinguisher.
1. All entries fees $5.00 Per Class.
2. Current Coggins and current 2015 Rabies certificates required on ALL entries. Must show proof of both upon arrival.
3. No entry fees will be REFUNDED. Horse and rider substitutions are considered new entry.
4. The Association reserves the right to reject an entry.
5. Proper entry must be made at least two classes ahead.
6. All horses will be worked at the judges discretion. Judges decision is final.
7. Age of juniors 18 and under as of 1/1/ 17 Adult (Sr.) classes refer to anyone 19 years of age and older.
8. All premium checks must be cashed by October 25, 2017.
9. The Fair Association, its officers, committees, nor any group or individual responsible for any accidents, damage, injury, or illness to horses, owners, riders, volunteers, attendants, or any other person or property in connection with this event, my use of the Oneida County Boonville Fair or its surroundings is not responsible for loss, damage, or injury sustained.
10. Abuse of your horse will not be tolerated, NO EXCEPTIONS, NO REFUNDS. You will be asked to leave the show.
11. ASTM/SEI APPROVED HELMETS ARE REQUIRED FOR ALL RIDERS UNDER AGE OF 18 WHENEVER MOUNTED. Proper riding attire required.
12. Entry must be signed by parent if rider is under 18 years of age.
13. All points based on horse/rider combination.
14. Any rider in a walk/trot division cannot enter any other divisions that require a lope or canter at the same show.

NEW YORK STATE HORSE PULLERS ASSOCIATION, INC.
HORSE PULLING RULES – 2017

1. 27 1/2 feet will be a qualified pull on the Dynamometer. If boat is used, distance of qualified pull is to be determined.
2. All light weight teams to be weighed at designated place with an official present.
3. NO changing of drivers or bridles during contest.
4. Driver may change sides with his horses - TIME PREMUTING.
5. In case of a break down (actual separation of equipment NOT unhooking of chains or straps) team will go to end of line.
6. Competition open to all.
7. Ropes or lines to pull between to be determined by judges. Standard distance 18 feet.
8. Measure distance to determine position at the end of the contest. In case of a tie the next longest distance will determine finishing position.
9. Two hookers - Plus two men to drive teams in (if needed) will be allowed LIMIT 5. All helpers to stay behind eveners and remain silent once team is hooked. Helpers CANNOT ride or touch machine. All others to remain out of the immediate pulling area or behind boundary lines if applicable.
10. If a helper goes to the team's head, the team MUST unhook and circle before rehooking.
11. If a horse steps ON or OVER ropes or line, pull will be disqualified.
12. The driver is compelled to ride and stay seated during pull.
13. Each team has three chances to qualify each load.
14. Any team arriving late can hook to the existing load providing no teams are eliminated.
15. A contestant has three passes, not to exceed three minutes to get hooked on from the time he is called to hook.
16. From the time the distance is measured and the stake is moved up, one minute will be allowed between 1st and 2nd pull, otherwise contestant forfeits 2nd pull. (Teams may unhook within the time limit.)
17. Teams pulling in heavy contest must have a least one horse that HAS NOT pulled in the previous contest. In event that there isn't enough teams to take up the prize money any NON-WINNER can return.
18. There will be NO line slapping or helpers touching horses during contest. THIS RULE WILL BE ENFORCED. CONTESTANTS WILL BE ELIMINATED FROM CONTEST WITHOUT WARNING.
19. If during a contest a team runs away FREE FROM DRIVER AND HELPERS, HE IS EXCLUDED FROM THE REST OF THE CONTEST. He will receive any prize money won up to this point.
20. Contest is over when the finishing positions have been announced.
21. Behavior of all horsemen (drivers and helpers alike) to be above reproach at all times or DISCIPLINARY ACTION BY THE JUDGES WILL BE TAKEN. ANYONE DISPUTING THE DECISION OF THE JUDGES WILL BE IMMEDIATELY DISQUALIFIED.
22. FUTHER DISCIPLINARY ACTION MAY BE TAKEN BY THE NEW YORK STATE HORSE PULLERS BOARD OF DIRECTORS. This may be by suspension from further contests for a given period of time or by enforcing a fine, or both
23. All participants will abide by the regulations of the New York State Drug Law. (Refusal to be tested is admitting guilt and subject entry to All penalties of the law as described in part 352-sections 1-5)
24. Improvement in dress code for both the teams and participants suggested for a more appealing spectator image. No alcoholic beverages will be allowed on the track or pulling area. (BOONVILLE FAIR ASSOCIATION)

GENERAL RULES

1. Animals to be shown, regardless of age, must have been recorded and appear in the name(s) of the exhibitor on the registration paper of the respective breed association, and the exhibitor must be able to furnish certificates of registry when requested. In case an animal is being registered or transferred and the certificates of registry have not been returned, a statement to this effect from the secretary of the association in question will be accepted in lieu of the certificate. This includes all ages.

2. Premiums for milking cow classes and Supreme Champion have increased, therefore the Fair will no longer be paying for milk.

3. Entries in championship produce of dam and dam/daughter classes shall not bar the entry in other single classes.

4. In classes offered for produce of dam, it is not necessary that all animals be owned by the exhibitor.

5. a) Exhibitors may collect two premiums in single classes and one premium in groups.
   b) All cattle entered in open classes must be Purebred.

6. Section 7. Animals must be true Red & White in color (NO Black-Red or Brindles are eligible). Animals must also be registered with Red and White Cattle Association. Dually registered animals are eligible to show in only one breed show.

7. Because our cattle show has outgrown the space we can devote to it, exhibitors are requested to limit their show herds to 20 head. In case an exhibitor is showing more than one breed this means 20 head of each breed. Also, because of the possibility of space limitations, the Fair Association reserves the right to close entries once space is filled.

8. The superintendent will inspect all stalls and pews to see that they meet minimum safety standards.

9. No passes will be given. Exhibitor weekly tickets may be purchased for $7.00 per ticket on the following basis.
   a) Five or less cattle exhibited – maximum 2 tickets.
   b) One additional ticket may be purchased for each additional five animals exhibited.

10. ENTRY FEE $5.00 PER ANIMAL. MUST BE PAID BY JULY 4TH TO MARY LOUISE WITT. FIRST COME FIRST SERVE. ALL ENTRIES ACCEPTED AFTER JULY 4TH WILL PAY A DOUBLE ENTRY FEE. HALF OF STALL FEE WILL BE RETURNED IF SUPERINTENDENT IS NOTIFIED OF A NO SHOW BY MONDAY BEFORE THE FAIR.

11. ENTRY FEE FOR ALL GROUP CLASSES $5.00.

12. Producers who introduce unacceptable milk to the bulk tank may be required to pay for any milk that is contaminated by their product.

BOONVILLE FAIR ASSOCIATION REMINDS ALL EXHIBITORS THAT THE MINIMUM LEGAL DRINKING AGE IS 21. They urge any exhibitors hosting a post-show party to closely monitor their guests for the legal age requirement. The Fair Association reminds exhibitors that they may be liable in case of accident and recommends that any post-show party be conducted in such fashion as to minimize any negative impressions by the fair going public.

Livestock may enter the Fair Grounds Sunday- 10:00am -3:00pm and Monday 10:00am-4:00pm

DEPARTMENT 03B – DAIRY GOATS

Amount Available: $2080.00
Superintendent – Patricia Lesniak
Assistant Superintendent – Kate Lesniak
Judging SATURDAY, July 29th – 10:00AM
Judge Tricia Ricotta

General Rules
(See pages 4 thru 7 Standard for Conduct of Fairs & Animal Health Requirements)

1. Entries in this department close July 12, 2017 at 6:00 p.m. Base date for computing the age of animals is DAY OF THE SHOW. All animals must be in place by 10:00 a.m. on day of the show.
2. At the time of making entries, exhibitor must pay fee of $3.00 per class entered. Late entries will be accepted at double the entry fee. Exhibitor must also purchase a $3.00 ticket for each person entering the Fair grounds.
3. This show is sanctioned by the American Dairy Goat Association (ADGA) and ADGA rules shall govern. Only American Dairy Goat Association, American Goat Society and Canadian Goat Society registered, recorded or applied for animals, may be shown in official American Dairy Goat Association show. In CHAMPION CHALLENGE class the prefix CH, GCH, or SGCH as affixed by ADGA THE LETTER IS VALID FOR USE UNTIL DECEMBER 31 OF THE YEAR OF ISSUANCE. The show is sanctioned as a combined Jr/Sr Doe show (the Junior and Senior show in NOT separately sanctioned) and is Sanctioned by ADGA for the following breeds: ALPINE, LAMANCHA, NUBIAN, OBERHASLI, SAAHEN, TOGGENGURG, All Other Purebreds, Recorded Grade and will be shown in this order. The order of the show is not subject to change.
4. The original registration or recordation certificate is required for all animals six months of age or older and this MUST be shown to the Show Secretary before the start of the show.
5. The original registration or recordation certificate or a stamped duplicate application showing the date received by the ADGA office is required for all animals under six months of age and MUST be shown to the Show Secretary before the start of the show. No other document shall be accepted in lieu of these.
6. A stamped duplicate is valid for 30 days from the ADGA office date stamped on it.
7. NO COPIES of the registration or recordation certificate or the stamped duplicate application or stamped Faxed duplicate application will be accepted in lieu of the original certificate.
8. No bucks of any age are permitted to show. No horns are permitted to show.
9. The exhibitors in this department will be limited to not more than five (5) entries in each class. Entry number MUST be worn in ring with all animals.
10. The decision of the judge shall be final in all cases, except where error, fraud, misrepresentation, or collusion, not discovered at the time of the award is proven. In such cases, the Superintendent or such referee as he may appoint, may make a decision, which decision shall be final.
11. An exhibitor detected in changing ear labels falsely, or misrepresenting ownership, or guilty of other infractions of the rules, will be excluded from competition and awards.
12. The Management assumes no responsibility in case of loss or damage to stock or other exhibits from any cause. Upon this condition only are entries received.
13. All animals shown in group or special classes MUST have been shown in regular class.
14. Any milking animal showing over distention of the udder due to the failure of the exhibitor to have milked her at the proper time is subject to disqualification.
15. There will NOT be a pre-show milk out.
16. Due to limited housing facilities, pens must be provided by exhibitor and set up in designated area. Exhibitors MUST clean up their area before leaving or they could forfeit their premiums.

CLASSIFICATION REQUIREMENTS:
A. In classes where there is no competition, awards shall be made by the judge according to the merit of the animal.
B. Any doe that has freshened must compete in the Senior Division; any doe under 24 months that has never freshened must compete in the Junior Division.
C. Entries may not be added to or withdrawn from classes without permission from the officials in charge after they are in the ring and judging has started.

DEPARTMENT 03C – OPEN SHEEP SHOW
AMOUNT AVAILABLE - $2,424.00
Superintendent: Debbie Burrows and Cheryl Sexton
JUDGING – Tuesday, July 25th 5:00pm (Show Tent)
GENERAL RULES
(See Standard for conduct of Fairs & Animal Health Requirements)

1. Entries in this department close Friday 2 weeks prior to Fair.
2. Entries are open to residents of Oneida, Herkimer, Lewis, and Madison Counties.
3. Sheep belonging to residents of Oneida County will remain in place through Sunday at 9 pm. Sheep belonging to residents of other counties will come for day of the show only, and leave after the show.
4. At the time of making entry, exhibitor must pay entry fee of 10% of the first premium and purchase $7.00 exhibitor ticket for those coming the day of the show.
5. Only two premiums will be paid in each class to any one family or farm.
6. Due to limited housing facilities, pens must be provided by exhibitor, and placed in area assigned by the Superintendent.
7. All animals are to be in place by 8:30 am on the day of the show, allowing time for health check and set-up.
8. Registered stock must be in the name of exhibitor or immediate family. Proof of ownership to be based on the date of registry papers.
9. All registration papers must be available show day. Stock not registered must be shown in the market class.
10. Rosettes will be awarded to Grand Champion Ewes and Reserve Grand Champion Ewes in each breed. The same for the Rams.
11. All market lambs must have been born since January 1st of the current year and shorn within the 30 days preceding the show. No market lamb will be shown more than 1-inch wool.
12. Animals shown in breeding classes are not eligible for market classes.
13. The Judge may reject or refuse any exhibit of sheep, which in his opinion is not worthy of showing or representative of the breed.
14. The decision of the Judge shall be final in all classes.
15. The Management assumes no responsibility in case of loss or damage to stock from any cause. Upon this condition only are entries received.
16. All animals shown in group or specific classes must have been shown in regular classes.

DEPARTMENT 06
CHAMPIONSHIP TRACTOR PULLING CONTEST

Thursday, July 27th, 9:00 AM–4:00PM
Weigh in Time 8:00 AM
Amount Available - $4,140.00
This is a non-sanctioned pull

TRACTOR PULLING CONTEST
CONTEST RULES

ENTRY FEE FOR ALL CLASSES IS $20.00 PAYABLE AT THE TIME OF ENTRY.
OFFICIAL DRIVER MUST BE IN SEAT OF TRACTOR AT THE TIME OF WEIGHING.
OFFICIAL WEIGH-IN IS MADE IMMEDIATELY AFTER TRACTOR HAS BEEN PULLED.
CLASSIFICATION-ALL TRACTORS WILL BE CLASSIFIED ACCORDING TO WEIGHT ONLY.

GENERAL REQUIREMENTS
1. Rubber tires required. No four-wheel drive tractors are allowed. No dual tires, studs, or chains are permitted. All power must be transmitted through rear wheels.
2. Pullers must be at least 16 years of age. No pullers under the age of 18 years will be allowed to pull without a parent or guardian’s written consent.
3. All tractors must have a hood and grill.
4. All tractors must be equipped with workable rear brakes.
5. Drawbars must be stationary in all directions. Maximum drawbar height is 22” from top of hitching device paralleled to ground. The minimum drawbar length is 20” from center of rear axle to point of hook. Hitching devices on drawbar can be no less than ½” thick and no more than 1 ½” thick with a 3” diameter opening. The pulling point may not be more than 2” from the back of the hitching device. No two or three point hitch drawbar allowed.
6. Drivers must supply their own ¾” clevis or hitching ring with at least 3” hole.
7. All exhaust discharge to be a minimum of 20” FROM EXHAUST MANIFOLD.
8. Naturally aspirated tractors will not be allowed to run in Turbo classes of same weight.
9. Only one installed turbocharger is allowed on any tractor and must be adequately shielded.
10. Tractors with cut or shaped tires will be allowed, up to 20.8 x 38. Hot Farm Rule 12 page 33
11. Wheel weights and well-casing brackets shall not extend more than 12” from rear tires. Suitcase weights may be secured to a sturdy bracket on rear of tractor. Weights must not extend more than 6” behind farthest rear factory point of tractor excluding hitch.
12. Suitcase weights may be secured to a sturdy bracket on the front of the tractor but not to extend more than 24” from farthest point of frame.
13. Tractors may use “belly bar” brackets for securing suitcase or wheel weights.
14. No portion of tractor or weights may interfere with sled or hitching of sled.
15. No protruding bolts shall extend more than 8” from wheel.
16. No one-Front Wheel tractors allowed except “factory made” or better.
17. Only original tractor block not truck motor blocks.

Safety and Tractor Operations

1. No alcoholic beverages will be allowed on the track.
2. Bottom of front tires will not be allowed to rise more than 36” off the ground. Determination of height will be decided by the judge’s eye. The decision of the judge will be final. Contestant’s pull will be measured from the point at which he is stopped.
3. Tractors must be operated in a safe manner at all times.
4. Operators must remain in their seats during the pull and have complete control of the tractor at all times.
5. No driver will be allowed to pull under the influence of alcohol, drugs, or any medication that impairs ability.
6. No weights may be placed on seat, footrest, or platform of tractor.
7. Contest will be governed by judge(s) with all decisions final. Judge(s) have the right to stop and disqualify any tractor if it is operated in such a manner as to be considered unsafe.
8. All tractors must be in neutral or park transmission selector while being hitched or unhitched from sled.
Contest Rules

1. Only one pull allowed per tractor in class unless a tie is declared. Once past the 50’ mark, official pull will be counted.
2. If a pull-off occurs, contestants have only one attempt to move the sled. Contestants must pull-off, not splitting of positions. Judge(s) decision will be final.
3. All pull start from a tight hitch. No jerking is allowed. If the first attempt is stopped at 50’ or under, contestants will be allowed a second attempt to start sled and/or change gear selection.
4. All drivers will obey flagman’s signals and tractors must stop immediately upon signal from flagman. No hole digging is allowed.
5. Tractors must remain within boundary lines of track during pull or they will be disqualified.
6. The first contestant in each class will only pull in third position if sled adjustments are necessary.
7. The pull shall be considered over when forward motion of the sled stops.
8. Any ballast, weights, or external parts lost, while hooked to sled will cause disqualification.
9. The contestant has the option of spotting the boat but it must be spotted upon the return to the starting line.
10. Tractors will be weighed with driver immediately before the official pull. Drivers will take tractor from weighing station to staging area for pull in process. Judge(s) have the right to weigh and measure any tractor after they pull. Drivers will be responsible for having tractors within weight limit or be disqualified. A random check of weight and hitch may be conducted after pulling at the discretion of the Association.
11. Each contestant must sign a statement relieving the Boonville Fair Association along with others stated within the release form of any liability in case of accident or personal injury.
12. There will be No Cut Tires for Out of Field Classes.
13. Operator Must be 18 years old to participate in Hot farm events.
14. No Water Injection Allowed for Out of Field Events.
15. There is a 3,000 Maximum RPM’s.
16. 3 inch Diameter on Turbo Classes.
17. No Use of Road Gear in Farm Classes.

Farm Stock Plus

1. Each tractor must show a minimum of 20 hours on tachometer or provide proof of purchase.
2. This class is for tractors which have some modifications and RPM’s are not excessive.
3. All stock tractors must be equipped with a working PTO unless manufactured without.
4. Any tire size may be used for any and all classes.
5. No alcohol, other racing fuel, or pressurized fuel is allowed except on manufactured LP gas tractor.

Hot Farm

1. Tractors in these classed may use “belly bar” brackets for securing suitcase or wheel weights ahead of rear axle.
   a. All tractors must have stabilizer or “wheelie bars” which meet the following specifications: Should be 10” behind the point of contact of the ground and the tires and no more than 8” off the ground with at least a 5” square pad capable of supporting the weight of the tractor. All “wheelie bars” must separate from hitch.
   b. Tractors must have “kill switches” for connection to the sled. All ignition systems must have switch in working order and all diesel ignition engines must have an air shut-off valve control, both to be within easy reach of driver and/or sled.
4. Tractors must have engine side shields, minimum 1/8th thickness.
5. Tractors must leave a 6 strap safety blanket for the fly wheel and clutch or same incased with a steel 1/4” thickness.
6. One turbo charger is allowed and must be adequately shielded.
7. Tractors must stock appearing and equipped with a hood, grill, etc.
8. Wide front ends, seat belts, and fenders will be required.
9. Up to 3 inch unaltered Turbo.

All above rules apply to the judging on Wednesday, July 29th. Entry tags and awards will be displayed but the Association guarantees no segregation of entries after judging. All vegetables in competition will be exhibited in such manner as deemed show-worthy by Superintendent.
SECTION 6- POTATOES

FIRST PRIZE $2.00                       SECOND PRIZE $1.00

Instead of awarding premiums on a large number of varieties, potatoes will be shown in groups, the varieties in each of which are similar. All varieties listed under each group will compete against each other. Each group and variety should be prominently labeled. A plate shall consist of 5 tubers.

1. Early Red – like Norland
2. Late Red – like Pontiac, Norchief
3. Early White – Superior, Norchip, Irish Cobbler, Pride
4. Mid – season- like Norchip Katahdin, Chippewa
5. Late - like Sebago, Katahdin, Kennebeck, Jewel
6. Baking – like Bake King, Russet Burbank White Rose

GRANGE EXHIBIT

DEPT. 09A – JUNIOR                        DEPT. 09B – ADULT

Amount Available - $448.00

Entries must be in the hands of Premium Secretary Mary L. Witt, 503 Post St., Boonville, NY 13309, not later than July 1.
Entry fee 10% of first premium. All Pomona, subordinate and junior granges in the area are eligible.
The awards will be based on the decision of the judges according to the scale of points listed below, the highest possible score being 100. Each Pomona and subordinate Grange exhibit receiving an award of 85 points or more from the judges shall receive a premium of $50.00.

Each Pomona and subordinate Grange receiving an award of 75-84 inclusive points shall receive a premium of $40.00. Each such Grange receiving an award of 50-74 inclusive shall receive a premium of $30.00. And each Grange receiving an award of under 50 points shall receive a premium of $20.00.

Each Junior Grange receiving an award of 85 points or more shall receive a premium of $16.00. Each Junior Grange receiving an award of 65-84 inclusive shall receive a premium of $12.00. All Grange exhibits will center around one main theme such as – marketing eggs, insects in the garden, maple syrup production, or any other similar theme which the Grange may select. Exhibit hall will be open for placement of exhibits Saturday until 6 p.m., Sunday until 6 p.m. before fair. Grange exhibits to be in place by Monday, 12 Noon.
The exhibits will be judged by the following scale points:

<table>
<thead>
<tr>
<th>Score Card</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Education Value</td>
<td>50</td>
</tr>
<tr>
<td>Display</td>
<td>40</td>
</tr>
<tr>
<td>Correctness in Naming</td>
<td>10</td>
</tr>
<tr>
<td>Total</td>
<td>100</td>
</tr>
</tbody>
</table>

Educational Value: The educational value of the exhibit will be judged on the correctness of information presented, the clear concise presentation of the subject material, the originality of presenting the information, and the value to the observer of the material presented.

Display: This will be judged on attractiveness of exhibit, and artistic arrangement. Crowding material often detracts while proper spacing of the material, rather than quantity, pleases the eye. A conglomerate exhibit is neither educational nor easy to analyze.

Correctness of Naming: Samples should be correctly named. Varieties or samples misnamed will be scored against. Signs should be legible and printing should be large enough so that it may be easily identified.

DEPARTMENT 10- ART (AMATEUR ONLY)

Connie Watkins

Total Premiums - $410.00

Exhibitions will be opened to the public Monday through Sunday at hours so designated. Entries must be made Monday, July 24 at the Exhibit Hall from 1-3 PM. No removal of art entries until 8:30 PM Sunday last day of fair.
Open to two-dimensional work ONLY.
All pieces must be suitably framed and must have wire attached and ready for hanging.
Pieces not properly prepared will not be accepted
Minimum size on all photographs entered will be 8 by 10 inches. Maximum size: 16 x20 inches.
Judging will be done on the Monday, July 24, 2017

30
Open to adult artists 16 and over. All work must have been created within the past 3 years. No copies will be accepted.

Two works of Art may be submitted by each artist.

Entry Fee: $3.00 per entry.

Every precaution will be taken to safeguard works submitted. No insurance will be carried and entry will be at the artist’s risk. One judge will be retained. Attendants and officials will not be responsible for the sale of works displayed. Every effort will be made to put prospective buyers in touch with the artists. This policy will be posted.

ENTRY, DELIVERY AND PICK-UP OF PAINTINGS WILL BE ACCORDING TO ASSOCIATION RULES AND REGULATIONS ON PAGES REGARDING ENTRIES.

Ribbons for Excellent, Good and Worthy will be awarded. A Best of Show Premium of $50.00 and a Rosette will also be awarded. Two Ribbons on “Honorable Mention” at Judges discretion.

NEW YORK STATE FAIR COMPETITION
ARTS & CRAFTS DIVISION
COUNTY FAIRS SPECIAL COMPETITION FOR 2012

A special “County Fair” competition will be featured in the Arts and Crafts Department. Participating county fairs will select a “Best of Show” from their needle work category for entry in competition. County Fair works are not eligible in the general competition entries MUST be forwarded by the sponsoring county fair to qualify.

All New York State Fair rules and regulations will apply to items entered in this special competition. The emphasis will be on high quality workmanship, combined with the principles of good design, form, line, texture, color, etc. Judges’ decisions for awards will be based on the following:

<table>
<thead>
<tr>
<th>OVERALL EFFECT</th>
<th>20%</th>

</tbody>
</table>

<table>
<thead>
<tr>
<th>WORKMANSHIP</th>
<th>60%</th>
</tr>
</thead>
<tbody>
<tr>
<td>Uniformity, Technique, Finishing</td>
<td></td>
</tr>
</tbody>
</table>

A total of one (1) entries per County Fair may be submitted for competition. The selection of First, Second and Third Prize Awards and a maximum of six (6) Honorable Mention Awards will be made by Jury.

AWARDS

Payment of premiums will be processed directly from Albany at the conclusion of the 2009 New York State Fair. Prizes to be awarded are as follows:

One                      1st Prize $25.00
One                      2nd Prize $15.00
One                      3rd Prize $10.00
Six                      Honorable Mention Ribbons

Entries selected for the State Fair competition should be represented from the needlework category. No other item will be accepted for this competition. For more information, see Mary L. Witt, Premium Secretary.
DEPARTMENT 10B – HOMEMAKING
Mary Louise Witt – Superintendent

Amount Available - $800.00
Judging to begin Wednesday – July 26th

You may only enter one entry per class

Entries must be entirely the work of the exhibitor and must have been completed within the last two years. Previously entered items will not be accepted.

The judges selected are fully qualified and their decision will be final. Judges will in no case award a prize when there is not merit. The jury also reserves the right to refuse those works not considered suitable for display. Baked and confectionery items will be cut, tasted and become the property of the fair.

It is the intent of the Boonville Fair to encourage youth to participate in the homemaking exhibits. Youth entries by those under 16 years of age should be noted on the entry and will be given consideration as a “youth” entry in the judging process.
SECTION 1 – PRESERVED FOODS

All Homemaking Sections
- Entry Fee is 10% of first place premium
- limit of 2 entries per class per exhibitor

Note – Preserved foods and canned fruits, pickles, canned and pickled vegetables must be exhibited in pint clear glass jars and must have been canned within a year. Product canned with preservatives will be disqualified.

No article shall be exhibited for more than one premium.

Standards for Canned Fruits and Vegetables:

Color - As nearly as possible that of the natural fruit or vegetable

Clearness - Syrup of liquid clear and free from seeds.

Pack – Arrangement with reference to symmetry and best use of space as large a portion of solids to liquid as possible.

Uniformity of shape and size.

Containers - Uniform and of size and shape practical for the average home. Labels suitable, uniform, neat.

Flavor – As nearly as possible like natural flavor. Canned fruits should not be too sweet.

Texture – Tender but not over-cooked. Uniformly ripened products. No defective or over-ripe fruits or vegetables. Only Young and tender vegetables should be canned.

DEPARTMENT 11 – JUNIOR DEPARTMENT
This book will be incorporated with 4-H Junior Department

DEPARTMENT 12A
ORGANIZATIONS
SECTION 1
Exhibit space will be provided for selected organizations to display important facets of Agriculture. The purpose is to make the general public aware of the agricultural practices and programs that impact the economic development of Oneida County.

SECTION 2
The Cooperative Extension of Oneida County Agricultural Division will be given space for an exhibit to illustrate some of the important phases of the educational program carried on in the county.

DEPARTMENT – 12B
MACHINERY EXHIBITS
SECTION 1 – DEALER EXHIBITS
Suitable space will be provided for the display and sales of such items as farm, lawn and garden implements and supplies, tractors, and other equipment. Outside agricultural displays pay flat fee. Displays must be manned during active hours of the Fair. The Fair Association will take reasonable precaution to prevent damage to equipment but cannot guarantee nor assume responsibility for damage.

DEPARTMENT 12C
KIWANIS BUILDING
Exhibitor space under cover available at a charge. Committee reserves right to place exhibitors, commercial only in building. Exhibits must be in place by Monday at 3:00pm Otherwise Committee will resell space. Disassembly of exhibits not Permissible until Sunday at 8:30 P.M. Passes to exhibitors will be based on space purchased. Two (2) passes per each 10 feet of space bought. See additional Rules and Regulations in front of book, or write Superintendent.
4-WHEEL TRUCK PULL
Superintendent: Dustin McMullen
Saturday, July 29, 2017
9:00am (weigh in at 8:00am)

MUST WEAR HELMETS IN ALL CLASSES
ALL TRUCKS IN STREET LEGAL GAS AND STREET LEGAL DISEL MUST BE DROVE TO THE PULL, ANY TRUCK THAT IS TRAILERED IN WILL PULL MODIFIES

Please read all rules and the enclosed registration sheet:
1. All registration will close thirty minutes before the listed starting time of 9:00AM. Be sure to be on time.
2. Driver ONLY will be admitted to the pit area at no charge. All others must pay normal pit gate admission and sign the insurance waiver.
3. Entry fee shall be $25.00. Cash only will be accepted. Each truck may be entered only once unless otherwise stated by the Director of Competition. No multiple drivers. All drivers must produce a valid photo driver’s license.
4. There is NO TEST HOOK. If sled is reset all pullers that have previously hooked will have the option to return and re-hook immediately or to drop last. A floating finish line may be used at the discretion of the director of competition. It is the responsibility of the driver to know the rules.
5. Any truck that is not in line and ready to pull when called will be immediately disqualified. No refunds!
6. Any/all trucks MAY be required to return to the scale and re-weigh at any time. Any/all trucks May be required to undergo an additional tech inspection at any time. THESE DECISIONS ARE AT THE OPTION OF THE DIRECTOR OF COMPETITION.
7. It is highly recommended that all drivers wear a helmet.
8. All drivers must attend the drivers meeting before the pull begins.
9. Each puller will have two attempts at pulling, unless the first attempt exceeds 100 feet. In the event of a pull off, the 100 foot rule will not be in effect, and it will be a floating finish line.
10. If class sizes are not met Officials reserve the right to merge classes or payout 50% of the classes.
11. All classes will reflect on current SPI rulebook.

CLASS PURSE PAYOUT: $150-$90-$60 (TOTAL $300.00)
TROPIES WILL BE GIVEN FOR: 1ST PLACE

5800 lb. Is a half ton class, 5 and 6 lug wheels only

5800 & 6800 LB. Street Legal Gas – Rules

1. The Street Legal Gas class is designed for daily driven, on the road pickup trucks (full bodied gas pickup truck). Valid DOT registration, license plates, insurance, and matching valid state inspection the state the vehicle is registered are mandatory. No dealer, repair, farm, or temporary plates allowed. The vehicle must be four-wheel drive.
2. Ballast: Ballast is permitted. Hanging front weights are prohibited. Ballast may be added in the bed of the truck only, no hidden weight or ballast in the cab. If used, ballast must be securely fastened to the bed of the truck. Final decisions rest with the tech official.
3. Batteries: The batteries must be securely mounted. They cannot be in the driver compartment or forward of the radiator core support.
4. **Body:** The body must be an OEM truck body, including the full bed floor. The body must retain all original sheet metal. Metal aftermarket hoods are permitted, fiberglass is prohibited. The complete OEM firewall and OEM floor pan is mandatory.

5. **Brakes:** Four wheel hydraulic brakes are mandatory and must be functional.

6. **Chassis:** The OEM chassis is mandatory. The engine must be in the OEM location for the body being used. The vehicle must retain the full OEM chassis. Wheel tubs, backhalf conversions, tube chassis, etc. are prohibited.

7. **Cooling System:** Radiators must be in the stock location and must be of at least stock size.

8. **Credentials:** All drivers must have a current valid state driver’s license and registration.

9. **Driveline:** An OEM transmission and transfer case are mandatory. They must have been an option on a one-ton or smaller pickup (no 5/4 ton axles).

10. **Driver Restraint System:** The OEM restraint system is mandatory and must be worn.

11. **Engine:** Maximum engine size is 500 cubic inch and must be correct manufacturer and size that was a factory available option for that year and make. Engine cannot be bored more than .030 overstock diameter. Engine cannot be stroked, must retain stock stroke. Only type intake manifold and one single four-barrel carburetor limited to 750 cfm maximum. No aluminum heads or aluminum engine blocks unless equipped from the factory. No nitrous oxide allowed and any nitrous bottles must be removed. Air cleaner in the stock location is a must and hood cannot be cut/alterned to allow protrusion of the air cleaner. Factory fuel injection body system allowed.

12. **Engine** must be naturally aspirated unless otherwise equipped from the factory (i.e. Ford Ecoboost).

13. **Exhaust:** Exhaust must exit rear of cab. No open exhaust allowed. Muffler is a must. Exhaust must pass state inspection standards for noise level. Exhaust must also pass state inspection emissions regulations if applicable. Aftermarket headers with a tube size of 1.75" diameter or less are allowed.

14. **Fire Extinguisher System:** A fire extinguisher system is permitted. It must be securely mounted and it is recommended that it be within easy reach of the driver.

15. **Fuel:** Maximum 93 octane pump gas only; higher octane fuel, race fuel, methanol, or any octane boosters/additives are prohibited. Judgement call of the tech official regarding if prohibited fuels are smelled when going over the scales or competing.

16. **Fuel System:** The OEM fuel tank is mandatory and must be used. Racing fuel cells are prohibited and must be removed from the vehicle.

17. **Hitch:** The hitch must be a receiver-style hitch; reinforcements are permitted. Reinforcements must not extend forward of the centerline of the rear axle. The hooking point must be in the rear most point on the vehicle and must be rearward of the stock location of the tailgate. When backing into a vertical wall, the hitch point must be the first thing to hit before the bumper, bed, or other parts of the truck body. The hitch must be horizontal to the ground and stationary in all directions.

18. **Bumpers:** May be notched but must be retained. The hitch’s height from the ground may not exceed 26 inches. The hooking point must have a minimum 3x 3.75 inch inside diameter opening for the sled hook.

19. **Ignition:** Must utilize the stock ignition system or a distributor style aftermarket system. Aftermarket ignition boxes are prohibited.

20. **Interior:** A complete interior, including dashboard, door panels, headliners, etc., is mandatory. Two matching front seats are mandatory. Aftermarket seats are permitted; they must be fully upholstered. All factory controls (lights, signals, horn, windshield wipers, etc.) must be retained and be operative. The uses of hand-throttle controls are prohibited.

21. **Rear-end:** Non-OEM rear-end housings are prohibited. It must have been an option on a one-ton or smaller pickup. Rear axle bolts must be covered by a cap or shield.

22. **Steering:** The vehicle must retain the full, original OEM steering gear. The vehicle must retain the original OEM power steering assistance, if it was so equipped.

23. **Additional stabilizers are permitted. Non-OEM power assist methods are prohibited.**

24. **Street Equipment:** Complete headlight and taillight assemblies (all) are mandatory and must be operative. Complete OEM windshield and windows are mandatory.

25. **Windows:** Must be operative per factory specifications: that is, they must open and close via OEM electrical or mechanical means.

26. **Suspension Front:** The upper mounting point for strut assemblies must be in the factory location. Adjustable caster/camber pillow ball mounts are permitted. The lower control arm may be strengthened provided factory-mounting points to the chassis are maintained. The lower mounting points for the strut assembly may be modified for improved caster or camber. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Front traction bars are prohibited.
27. Suspension, Rear: An OEM style suspension is mandatory. All OEM suspension mounting points must be retained and used. All rear suspensions must use at least one working stock absorber per wheel. Limiting straps prohibited. Rear suspension blocks are permitted with at least 1" of suspension compression from ride height. Air bag spring assistance is permitted; air bag compressors must be disconnected.

28. Rear traction bars or ladder bars are PERMITTED. This is for Safety.

29. Tires: The tires must be DOT approved tires. Cut tires, studded tires and tire chains are prohibited. Dual rear wheels are prohibited.

30. Torque Converter: Lock up torque converter boxes and controllers are prohibited.

31. Transfer Case: Non-OEM transfer cases are prohibited. The transfer case must have been an option on a one-ton or smaller pickup truck.

32. Wheelbase: The vehicle must retain the original factory wheelbase and track width.

33. Front and rear wheels must have same wheel offset. Final decision resides SPI Tech Officials.

**6500 lb. Enhanced Gas 4x4**

1. Mandatory: All drivers must have a current valid state driver’s license.
2. Class weight is MAXIMUM 6,500 lbs. with driver.
3. Ballast: Ballast is permitted. All ballast must be behind the front grill or securely mounted in rear bed. Ballast in cab permitted if secure.
4. Batteries: The batteries must be securely mounted. They cannot be in the driver compartment or forward of the radiator core support.
5. Body: The body must be an OEM truck body, including the full bed floor. The body must retain full sheet metal. Metal aftermarket hoods are permitted. Fiberglass is prohibited. The hood must be closed and securely latched while the vehicle is hooked to the sled. The complete OEM firewall and complete OEM floor pan is mandatory. Must have hood, grill, and fenders in place as intended by manufacturer.
6. Complete OEM firewall with no hole is required.
7. Batteries: Front bumpers must be unaltered OEM or equivalent. No homemade bumpers allowed. Brush guards or lower plow frames are allowed as long as they appear unaltered.
8. Brakes: Four-wheel hydraulic brakes are mandatory.
9. Chassis: The OEM chassis is mandatory. The engine must be in the OEM location for the body used. The vehicle must retain the full OEM chassis. Wheel tubs, back-half conversions, tube chassis, etc. are prohibited.
10. Cooling System: Radiators must be in the vicinity of the stock location and be of at least stock size.
11. Driveline: An OEM transmission and transfer case is mandatory. They must have been an option on a one-ton or smaller pickup.
12. Driver Restraint System: The OEM restraint system is mandatory and must be worn.
13. Driveshaft Loops: All trucks must have a minimum of six-inch wide u-joint shields around the rear and the front u-joints constructed of a least ¼ inch steel or ⅜ inch aluminum that will safely contain the u-joints and the end of the rear shaft. Chain safety loops are not permitted. Drive shafts must have at least two loops on each shaft with a minimum of ¾" wide and ⅛" thick steel or ¼" aluminum with a minimum of 2" clearance.
14. Engine: The engine block must have been available as a factory option on a one-ton or smaller pickup truck. Blocks must circulate coolant freely. Water pumps must be present, but may be powered electrically. The use of concrete or other block fillers is prohibited. All factory belt driven accessories, excluding the air conditioning compressor, must be retained and powered via the crankshaft by a standard serpentine or “V” belt. Electric fans are permitted. Aftermarket radiator assemblies are permitted, but must be securely mounted in the same area as the OEM unit.
15. Maximum cubic inch: Limit is 500 cu. In +/- 1 percent OEM fuel injection allowed if using OEM fuel lines/rails. Aftermarket cast blocks allowed. Aftermarket intakes allowed. Single piece 4-barrel carburetor limited to a 1450 style base. No dominators or split carburetors allowed. Engine driven fans require 360-degree metal shielding. Aluminum heads allowed on small block engines ONLY!
16. Exhaust: Must exit behind cab. Open exhaust is permitted.
17. Fire Extinguisher System: A minimum of a 2 lb. fire extinguisher must be loaded and in the vehicle.
18. Fuel: Gas is the only fuel permitted. Aftermarket fuel cells are allowed. Use of ALCOHOL is prohibited.
19. Harmonic Balancer: Must be SFI approved. Or be shielded 360 degree with ¼ in steel.
20. Hitch: Hitch pin may be no smaller than grade 8 5/8" pin/bolt. Must be attached to the frame only including bracing and supports. No bracing or supports can be attached to the body, axle, or the suspension. Hook point cannot exceed 26" from the ground. Hook point of hitch must be the furthest point back of the truck. No point of the hitch may attach forward of the center line of the rear axle. Sled stops are the only thing that may extend rearward of the hitch.
21. Interior: No batteries, water hoses, fuel lines allowed in cab.
22. Nitrous Oxide: Propane AND THE USE OF OTHER OXYGEN EXTENDERS ARE PROHIBITED. All system components MUST be removed.
23. Rear End: Non-OEM rear-ends housings are prohibited. The rear end must have been an option on a 1-ton or smaller truck. Rear axle bolts to be covered by a cap or shield.
24. Safety: All trucks must have a working kill switch with a minimum of a 2” round diameter ring. Located in the rear center of the truck easy to reach and free from the chain and draw bar. When pulled must kill all power to the ignition and fuel pump.
25. Drivers must wear a helmet. All other safety and general rules must be followed.
26. Steering: The vehicle must retain the full, original OEM steering gear. The vehicle must retain the original OEM power steering assistance, if it was so equipped. Additional stabilizers are permitted. Non-OEM power assist methods are permitted.
27. Suspension: The factory suspension configuration must be retained. The upper mounting point for strut assemblies must be in the factory location.
28. Adjustable Caster/Camber: Pillow ball mounts are permitted. The lower control arm may be strengthened provide factory-mounting points to chassis are maintained. The lower mounting point for the strut assembly may be modified for improved caster or camber. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Traction bars and devices are permitted.
29. Suspension Rear: An OEM-style suspension is mandatory. Traction bars and devices are permitted; they must be bolt on only; welds are permitted for attachment to frame or axle housing. Control arms may be strengthened or replaced, provided all original mounting points are retained. Strut tower brace, lower tie bars, sway bars, limit straps, and camber kits are permitted. The rear suspension may be bolted solid to eliminate travel. Blocking of the rear suspension is permitted.
30. Tires: The tires must be DOT street tires. Cut/Altered tires are prohibited.
31. Transfer Case: Non-OEM transfer cases are prohibited. It must have been an option on a one-ton or smaller pick up truck.
32. Transmission: Must be from a passenger vehicle rated one ton or less. All trucks require a reverse light. Automatic transmissions require a 3 strap SFI approved blanket or a SFI approved Kevlar shield. Manual transmissions require an AFI approved bell housing.
33. Wheelbase: The vehicle must retain the original factory wheelbase and track width. Front and rear wheels must have same wheel offset. Final decision resides with Tech Officials.

6200 lb. STREET MODIFIED GAS – RULES

1. This class is open to street modified 4x4 trucks. Trucks MAY be hauled to the pull.
2. Tires: No dual wheels, studded tires, or tire chains permitted. All tires must carry a DOT number on the side wall. No cut, siped, altered, or sharpened tires. MAX TIRE SIZE 35 x 12.50. No more than half tire offset from front to rear tire paths.
3. Ballast: Ballast may be added on the front of the vehicles, but must be securely fastened to the truck and not extend more than 60 inches from the center line of the front wheels or 193” from center or rear axle. (whichever is less). No snowplow blades are allowed. Snowplow frames are acceptable. If any weight is lost during hook, you will be disqualified.
4. Hitch: Trucks must pull from a Class 3 or drawbar hitch. Hitch must be safe. (no pulling from bumper). Hitch length to be a minimum of 36% of wheel base from center of rear axle to hook. Drawbar may not be connected to, or supported by any part of the chassis except the frame. Hitch point may not be more than 26” from the ground, nor extend past the center of the rear axle.
5. Engine: Only cast iron blocks allowed, both cast heads and aluminum heads are allowed in the Street Modified class. Aluminum intake and headers are permitted. Trucks may use anything for carburetors, but must use only one. Nitrous oxide, propane, or other oxygen extenders prohibited. Motor must be naturally aspirated. Engine swabs between manufacturers are NOT permitted. Maximum engine size of 599 cubic inch. Engine must be mounted within 3” of factory location.
6. Exhaust: Open exhaust permitted. Headers permitted and may be upward or downward direction.
7. Body: Trucks must maintain all OEM sheet metal, including intact firewalls. If bed floors have been previously removed, they must add a bed liner or tonneau cover to maintain appearance of Street Vehicle. Fiber glass permitted for hood scoops only. Must maintain factory windshield and rear window glass, including functional headlights and taillights. Trucks may use racing seats, but interiors must be intact. (Door panels, dashboard, seatbelts, etc.) Racing seat with harness recommended.Not required. No tilt bodies, center seat driver controls permitted. No fuel lines running inside the truck cab. Tech official reserves right to deduct ballast from front of the truck if modifications have been done to unfairly lighten vehicle compared to competitors within the class.
8. Chassis: OEN 3-ton or smaller drive train permitted only. No drop boxes permitted. No tube frames, or back half conversions. Rear suspension must maintain full factory leaf spring suspension (Min 5 leaf springs). Solid suspensions permitted by any means (blocking solid, stacking leafs, or removal of spring shackles). Front or rear traction bars permitted. 3 or 4 link suspensions permitted in front or rear unless factory equipped.
10. Safety: Trucks must have kill switches that work, drivers must wear helmets and have fire extinguishers. Driveshaft safety loops: Min 6" wide @ front/rear u-joints (min ¼ steel or 3/8 alum). Safety chains not permitted. Reverse light mandatory-Neutral light recommended. Automatic transmissions require 3 strap SFI blanket or Kevlar. Standard transmission must use SFI approved bell housing. Blanket over transfer case recommended. Electric fuel pumps must be shut off by kill switch.

11. Cooling: Radiator must be in stock location and at least the size of the factory equipped. Electric water pumps permitted.

12. DRIVERS MUST WEAR A HELMET IN THIS CLASS.

6200 LB SUPER STOCK GAS – RULES

1. Max weight of vehicle and driver to be 6200 pounds.
2. Radiators must be maintained and ahead of engine.
3. Engine must be behind grill.
4. Dry sump oiling systems permitted.
5. Headers can be upright or downward, open exhaust permitted.
6. Tube frames and modified OEM frames are permitted.
7. Max wheelbase 135”.
8. DOT street tires – but may be altered. No bar tires permitted.
9. Trucks must have working kill switches, driveline, shielding, fire extinguishers, etc.
10. Drivers must have fire extinguishers and wear seatbelts.
11. Fiberglass bodies permitted.

MODIFIED 4X4 TRUCKS

1. Maximum weight of competition vehicle is 6200 pounds.
2. Cubic inch limit is 650.
3. Any automotive type engine must be naturally aspirated with only two valves per cylinder and must accept a stock automotive crankshaft.
4. Rear engine block can be no farther forward than the centerline of the front axle.
5. Maximum bore spacing allowed is 5.00”.
6. Engine must be behind grill.
7. Front weights may not extend more than 60 inches from centerline of front axle. No loose weights allowed in cab or under hood.
8. Truck or van bodies permitted and must have complete firewall.
9. Planetary axles are permitted.
10. Tube frames are permitted.
11. Axle shields are required. Shield to be .060” thickness steel or aluminum. Shield not to be mounted to axle ends or hub bolts. A single hole may be cut in one to allow locking in of hubs.
12. Maximum wheelbase is 133 inches on all Modified 4x4 trucks. Wheels must be centered in wheel wells. Body must be lengthened or shortened between cab and rear wheel wells, to maintain rear wheel’s center in rear wheel well.
13. Front tow hitch will be strong enough to push, pull or pick the vehicle up. Only a 6x6 piece of steel with a minimum thickness of 1” and a maximum of 1.25” thickness will be allowed. A round three (3) inch hole is required in front tow hitch.
14. Maximum tire size to be 112 inch circumference, when inflated to 30 psi with original bar, not to exceed 18 inches in width before cutting.
15. Clear Plexiglass or factory tint glass permitted.
16. No mud flaps or dirt deflectors will be permitted.
17. No fuel tanks, fuel lines, pressure gauges, or pumps allowed in the cabs. All hydraulic lines in cab must be shielded top and sides with a minimum of .060 aluminum.
18. All air or hydraulic suspension systems cannot have hydraulic, air, or electric lines attached to these devices during competition.
19. Hitch height maximum is to be 26” at point of hook before, during, and after pull.
20. Hitch must be rigid in all directions and solidly mounted. Pulling point can be no more than 1 inch from back edge of drawbar. No clevis, chains, or cables permitted.
21. In hitching device. From point of hook to centerline of rear axle shall be no less than 30% of truck wheelbase and shall not slope any greater than 33 degrees to hitch point.
22. No hitch supports or adjusters, if fastened to the rear axle housing shall be above the center line of the rear axle. Pivot pin of drawbar can be no farther forward than centerline of the rear axle.
8500 LB 2.5 WORKSTOCK 4X4

1. Class weight is 8500 lbs. maximum with driver.
2. Ballast: Ballast is permitted. Hanging/hidden front weights are prohibited. Ballast may be added in the bed of the truck. If used, ballast must be securely fastened to the bed of the truck. Final decisions rest with the tech official. Ballast in cab is prohibited.
3. Batteries: The batteries must be securely mounted. They may not be located in the driver compartment or forward of the radiator core support.
4. Body: The body must be OEM truck body, including the full bed floor. The body must retain all original sheet metal. The hood must be closed and securely latched while the vehicle is hooked to the sled. The complete OEM firewall and OEM floor pan is mandatory.
5. Brakes: Four-Wheel hydraulic brakes are mandatory and must be functional.
6. Chassis: The OEM chassis is mandatory. The engine must be in the OEM location for the body being used. The vehicle must retain the full OEM chassis. Wheel tubs, backhalf conversions, tube chassis, etc. are prohibited.
7. Cooling Systems: Radiators must be in the stock location and must be at least stock size.
8. Credentials: All drivers must have a current valid driver's license.
9. Driveline: An OEM transmission and transfer case are mandatory. They must have been an option on a one-ton or smaller pick up.
10. Driver Restraint System: The OEM restraint system is mandatory and must be worn. Helmet must be worn when pulling.
11. Drive Shaft Loops: All trucks must have a minimum 6" wide u-joint shields around for rear u-joint to accumulate points. Constructed or at least quarter inch steel or 3/8 inch aluminum that will safely contain the u-joint and the end of the rear shaft. Any u-joint on the front axle that can be seen from the front or the side of the truck must be shielded the same as all other u-joints. All shielding must be securely mounted to the vehicle.
12. Engine: The engine is limited to a stock appearing, OEM compression engine available from the factory in a one tone or smaller truck. Cubic inch limit is 444 cu. in.
13. Blocks: must circulate coolant freely. No hard filled blocks. Water pumps may be electric or factory. All factory belt driven accessories, excluding air conditioner compressor must be retained and powered via the crankshaft by a standard serpentine or v belt or belts. Electric cooling fans are permitted. NO SIDE DRAFT/RUNNER STYLE INTAKES PERMITTED.
14. Exhaust: the exhaust must exit rearward of the driver’s compartment. Stacks exiting through the hood or fender well are prohibited. If the muffler or catalytic converter have been changed from stock, two 3/8-inch diameter bolts must be installed through the exhaust pipe in a cross pattern within one inch of each other as close to the turbo as is practical. Upward exhaust required for all vehicles pulling for points.
15. Fire Extinguisher System: A fire extinguisher system is permitted. It must be securely mounted. All vehicles must have at least a 2 ½ lb. fire extinguisher with working gauge mounted within drivers reach.
16. Fuel: The fuel must be pump #1 or #2 diesel only. Soy/Bio diesel fuel is permitted. No Road diesel fuel is prohibited.
17. Fuel Injection Pump: The fuel injection pump is limited to cylinder number specific (i.e. 6-cylinder pump on 6-cylinder motor). Dual high pressure common rail fuel pumps or HPOPs are permitted. The P pumps that are allowed are the p3000 and the p7100. Ag governors are not allowed. No sigma or 12 cylinder pumps allowed.
18. Fuel System: The OEM tank is mandatory and must be used. Racing fuel cells are prohibited and must be removed from the vehicle.
19. Harmonic Balancer: All engines turning 4500 RPM and higher must be equipped with a harmonic balancer or damper meeting SFI Spec 18.1.
20. Hitch: The hitch must be a receiver style hitch; reinforcements are permitted.
21. Reinforcements must not extend forward of the centerline of the rear axle and must remain inside of the frame rails. The hooking point may be no closer than 44” from the centerline of rear axle (will be measured where sled hook rests). The hitch must be horizontal to the ground and stationary in all directions. Bumper may be notched or removed. Hitch height from the ground may not exceed 26 inches. The hooking point must have a minimum 3x3.75 inches inside diameter opening for the sled hook. Trick hitches/drawbar style are prohibited. Trick hitches will be determined by SPI tech official.
22. Intercoolers: Factory style or aftermarket air to air replacement only in the stock location. AIR TO WATER INTERCOOLERS ARE PROHIBITED. Any means of cooling the air before the engine is prohibited. NO USE OF ICE OR WATER.
23. Interior: A complete interior, including dashboard, door panels, headliners, etc. is mandatory. Two matching front seats are mandatory. Aftermarket seats are permitted; they must be fully upholstered. All factory controls (lights, signals, horn, window’s, wipers, etc.) must be retained and be operative. The use of hand throttle controls are prohibited.
25. Nitrous Oxide/Propane: Nitrous Oxide is prohibited. No other oxygen extenders are allowed. Propane is prohibited. All system components must be removed from the truck. No pressurized bottles.
26. Rear-end: Non-OEM rear-end housings are prohibited. It must have been an option on a one-ton or smaller pick up. Rear axle bolts must be covered by a cap or shield.
27. Steering: The vehicle must retain the full, original OEM steering gear. The vehicle must retain the original OEM power steering assistance, if it was so equipped. Additional stabilizers are permitted. Non-OEM power assist methods are prohibited.
28. Street Equipment: Complete headlight and taillight assemblies (all) are mandatory and must be operative.
29. Windows: must be operative per factor specifications: that is, they must open and close via OEM electrical mechanical means.
30. Suspension, Front: The factory suspension configuration must be retained.
31. Modifications to the front suspension that would alter the original location (i.e. moving it forward or backward) is not permitted. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Traction bars and devices are permitted.
32. Air Shocks are prohibited: Final decision rest with the SPI tech department.
33. Suspension, Rear: An OEM style suspension is mandatory. Traction bars and devices are permitted; they must be bolt on only; welds are permitted for attachment to frame or axle housing. All OEM suspension mounting points must be retained and used. All rear suspensions must use at least one working shock absorber per wheel. Limiting straps prohibited. Rear suspension blocks are permitted with at least 1” of suspension compression from ride height. Air bag spring assistance is permitted; air bag compressors must be disconnected.
34. Tires: Tires must be DOT street tires. Cuts tires are prohibited. The use of dual rear wheels is prohibited.
35. Transfer case: Non OEM transfer cases are prohibited. The transfer case must have been an option on a one-ton or smaller pick up truck.
36. Transmission, Automatic: Non OEM transmissions are prohibited. All vehicles with engines running 4500 RPM or more using an automatic transmission must be equipped with a transmission shield meeting SFI Spec 4.1 and must be label accordingly. A blanket-type shield is permitted; it must be appropriately labeled as meeting SFI Spec 4.1 and it must extend from the rear of the block to the front of tail housing with minimum of six inch overlap where it is fastened. All non blanket type shields must incorporate two (or one, per manufactures instructions) ¾ inch by 1/8 inch straps that bolt to the shield on each side and pass under the transmission pan unless the transmission pan is labeled as meeting SFI Spec 4.1. All vehicles with engines running 4500 RPM or more and using automatic transmissions must be equipped with flex plate meeting SFI Spec 29.1 and covered by a flex plate shield meeting SFI Spec 30.1.
37. Transmission, Manual: Non OEM transmissions are prohibited. A clutch meeting minimum SFI Spec 1.1 or 1.2 is mandatory on all vehicles with engines running 4500 RPM or more. All manual transmissions must be clutch assistant. Sequential shifters are prohibited. All vehicles with engines running 4500 RPM or more equipped with a manual transmission must have a fly wheel shield labeled as meeting minimum SFI Spec 6.3 or greater. Applications for which SFI Spec flywheel shield is not available may use a properly attached SFI 4.1 or 4.2 blanket that completely covers the bell housing, it must be attached to the block and extend rearward to the transmission with a minimum of six inch overlap where it is fastened.
38. Turbocharger: The engine is limited to a single small frame (S300, GT4094, HX40 or smaller) turbocharger, the compressor inducer being 2.5” in diameter and will be measured using a 2.55” plug. Bushings are permitted but must be non removable, the busing must maintain a 2.5” diameter for at least 0.250” in front of the compressor wheel, and may be no farther than 0.175” from the face of the compressor wheel at any point. A map width enhancement (MWE) groove is allowed in the original location with a maximum width no greater than 0.200” at any point, any provision allowing air into the wheel other than via the bore and MWE groove is prohibited. Ford 6.4L Power Stroke engines may utilize the factory compound turbo configuration in OEM stock form only (2.59”) atmosphere inducer. Aftermarket exhaust manifolds are permitted with a flange dimension no larger T4 (3.500 x 2.750”). The vehicle’s driver will be responsible for making the compressor wheel/bore accessible for inspection by the SPI Tec Officials. Turbocharger; 2.6" Smooth Bore: The vehicle is limited to a single 2.6” inducer bore turbocharger. The compressor wheel must protrude into the 2.6” bore no less than 1/8”. The inlet will be measured using a 2.605” plug, the plug must not be able to enter the inducer bore. MWE grooves are prohibited, the turbo inlet must be smooth bore. The vehicle’s driver will be responsible for making the compressor wheel/bore accessible for inspection by the Tech Officials.
39. Water Injection: A Water Injection is prohibited. All system components must be removed from the truck.
40. Wheelbase: The vehicle must retain the original factory wheelbase and track width.
41. Front Dual Wheel: spacers may be used only with accompanying positive offset dually style wheels. Front and rear wheels must have same wheel offset. Final decision resides with Tech Officials.

8000 LBS 2.6 DIESEL 4X4

1. Class weight is 8000 lbs. with driver.
2. Ballast: Ballast is permitted. Front hanging weights may not extend more than 60 inches from the centerline of the front axle.

3. Batteries: The batteries must be securely mounted and concealed. They may not be located in the driver compartment.

4. Body: The body must be an OEM truck body, including the full bed floor. The body must retain full sheet metal. The hood must be closed and securely latched while the vehicle is hooked to the sled. The complete OEM firewall and complete OEM floor pan is mandatory. A factory install or commercial style aftermarket bed must be installed. No flat beds. Must have complete bed floor.

5. Brakes: Front hydraulic brakes are mandatory.

6. Chassis: The OEM chassis is mandatory. The engine must be in the OEM location for the body used. The vehicle must retain the full OEM chassis. Wheel tubs, back half conversions, tube chassis, etc. are prohibited.

7. Credentials: Drivers must have a current valid state driver’s license.

8. Driveline: An OEM transmission and transfer case is mandatory. They must have been an option on a one ton or smaller pick up. Open driveline allowed with 3.0 smooth bore turbo only.

9. Driver Restraint System: The OEM restraint system of SFI approved 5-point harness is mandatory and must be worn.

10. Drive Shaft Loops: All trucks must have a minimum of 6" wide u-joint shields around for rear u-joint. Constructed of at least quarter inch steel or 3/8 inch aluminum that will safely contain the u-joint and the end of the rear shaft. Any u-joint on the front axle that can be seen from the front or the side of the truck must be shielded the same as all other u-joints. All shielding must be securely mounted to the vehicle.

11. Engine: The engine block must have been available as a factory option on a one ton or smaller pickup truck. Cubic inch limit of 460 CI. Water pumps may be factory or electric powered. Electric cooling fans are permitted. No billet aluminum or billet steel heads. NO DECK PLATE ENGINED PERMITTED.

12. Exhaust: All vehicles must be equipped to direct exhaust upward including stock exhaust systems. Hood stacks are permitted. Two 3/8 inch diameter bolts must be installed through the exhaust pipe in a cross pattern within one inch of each other as close to the turbo as is practical.

13. Fire Extinguisher System: A fire extinguisher is permitted, it must be securely mounted. All vehicles must have at least a 2 1/2 lbs. extinguisher with a working gauge mounted within drivers reach.

14. Fuel: The fuel must be pump #1/#2 diesel only. Soy/Bio diesel fuel is permitted. A fuel cell may be used in place of the factory fuel tank; fuel is not permitted in driver’s compartment.

15. Fuel Injection Pump: A fuel injection pump is limited numbers specific (i.e. 6 cylinders pump on a 6 cylinder motor). Dual high pressure common rail fuel pumps or HPOPs are permitted. AG governors are permitted. No Sigma or 12 cylinder pumps allowed.

16. Harmonic Balancer: All engines turning 4500 RPM or higher must be equipped with a harmonic balancer or damper meeting SFI Spec 18.1.

17. Hitch: Hook point must be no closer than 44 inches of centerline of rear axle (will be measured where sled hook rests). Hitch height maximum of 26 inches for 4 wheel drive pickups and maximum 30" for 2-wheel drive with a minimum of a 3.0"x3.75" opening. Hitch point must be easily accessed. No “trick” type hitches permitted.

18. Hitch must be stationary in all directions. Reinforcements must not extend forward of the centerline of the rear axle and must remain inside of the frame rails. Hitch must not exceed a maximum of 25 degree angle from pivot point to hook point.

19. Intercoolers: Factory style or aftermarket intercoolers are allowed. Water to air intercoolers allowed. Ice and water must be weighed at time of crossing the scales.

20. Interior: The vehicle must be equipped with at least one seat for the driver; it must be properly installed. Either the normal foot throttle or an approved spring-loaded hand throttle will be permitted in this class. (See General Rules).

21. Kill Switches: All trucks are required to have a kill switch located on the back of the truck, located near the hooking point. They must have an air guillotine of the spring loaded type. If during competition the kill switch slides loose or falls out distance will be measured. Securing the kill switch is the driver’s responsibility.

22. Nitrous Oxide: Nitrous oxide is prohibited. No other oxygen extenders are allowed.

23. Propane is prohibited: All system components must be removed from the truck.

24. Rear-end: Non OEM rear end housing are prohibited. The rear end housing must have been for a one tone or smaller pick up. Rear axle bolts must be covered with a cap or shield.

25. Safety Equipment: All drivers must wear a helmet, long pants, not necessarily fire suit pants, leather shoes.

26. Steering: The vehicle may retain the original OEM steering gear or use of hydraulic steering. Additional stabilizers are permitted.

27. Street Equipment: Complete headlight and tail light assemblies (all) are mandatory. Complete OEM windshield is mandatory. Driver’s window must be operative.
28. Suspension, Front: The factory suspension configuration must be retained. Modifications to the front suspension that would alter the original location (i.e. moving it forward and backward) is not permitted. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Traction bars and devices are permitted. Air shocks are prohibited.

30. Air bag compressors must be disconnected.

31. Tires: The tires must be DOT street tires, with a tire limit size of 35 inches. Cut tires are prohibited.

32. Transfer Case: Non OEM transfer cases are prohibited. It must have been an option on a one ton or smaller pick up truck.

33. Transmission, Automatic: Non OEM transmissions are prohibited. The transmission must have been an option for a one ton or smaller pick up truck.

34. Aftermarket torque converters: valve bodies and internal components are permitted. Transmission brakes are prohibited. Any Non OEM floor mounted automatic shifter must be equipped with a spring loaded positive reverse lockout device to prevent the shifter from accidentally being put into reverse. A functional neutral safety switch is mandatory. Vehicle must not start in gear. All transmission lines must be metallic or high pressure type house. All automatic transmissions must be equipped with a transmission shield meeting SFI Spec 4.1 and must be labeled accordingly. A blanket type shield must be used and appropriately labeled as meeting SFI Spec 4.1 and it must extend from the rear of the engine block to the rear of the tail housing with a minimum of six inch overlap where it is fastened. All vehicles using an automatic transmission must be equipped with a flex plate meeting SFI Spec 29.1.

35. Transmission, Manual: Non OEM transmissions are prohibited. The transmission must have been an option on a one ton or smaller truck. Aftermarket internal components are permitted. A clutch meeting minimum SFO Spec 1.1 or 2.1 is mandatory on all engines. All manual transmissions must be clutch assisted. Sequential shifters are prohibited. All transmissions must have a fly wheel shield labeled as meeting minimum SFI Spec 6.3 or greater. Applications for which an SFI Spec fly wheel shields in not available may use properly attached SFI 4.1 or 4.2 blankets that completely covers the bell housing. It must be attached to the rear of the engine block and extend rearward to the transmissions with a minimum of six inch overlap where it is fastened. All transmissions or clutch pedals will have a safety interlock switch so that the vehicle will not start in gear.

36. Turbocharger: 2.6” Non Protrusion: the engine is limited to a single turbocharger, the compressor inducer being 2.6” in diameter and will be measured using a 2.65” plug. Bushings are permitted but must be non removable, the bushing must maintain a 2.6” diameter for at least 0.250” in front of the compressor wheel, and may be no farther than 0.175” from the face of the compressor wheel at any point. A map width enhancement (MWE) groove is allowed in the original location with a maximum width no greater than 0.200” at any point, any provision allowing air into the wheel other than via the bore and MWE groove is prohibited. The vehicle’s driver will be responsible for making compressor wheel accessible for SPI tech personnel to measure bore and able to inspect compressor wheel.

37. Turbocharger: 2.6” Protrusion: The vehicle is limited to a single 2.6” inducer bore turbocharger. The compressor wheel must protrude into the 2.6” bore no less 1/8”. The inlet will be measured using a 2.650” plug, the plug must not be able to enter the inducer bore. A map width enhancement (MWE) groove is allowed with a maximum width no greater than 0.200” at any point, and an overall diameter no greater than 3.700” at any point. Any provision allowing air into the wheel other than via the bore and MWE groove is prohibited. The vehicle’s driver will be responsible for making the compressor wheel/bore accessible for inspection by the SPI Tech Officials.

38. Turbocharger; 3.0” Smooth Bore: The vehicle is limited to a single 3.0” inducer bore turbocharger. The compressor wheel must protrude into the 3.0” bore no less than 1/8”. The inlet will be measured using a 3.005” plug, the plug must not be able to enter the inducer bore. MWE grooves are prohibited, the turbo inlet must be smooth bore. The vehicle’s driver will be responsible for making the compressor wheel/bore accessible for inspection by the SPI Tech Officials.

39. Water Injection: Water Injection is prohibited. All system components must be removed from truck.

40. Wheelbase: The vehicle must retain the original factory wheel base and track width. Cab and chassis trucks may not exceed 172 inches. Center to center of axles.

41. Front Dual Wheel Spacers: may be used only with accompanying positive offset dually style wheels.

9000 LB MODIFIED DIESEL – RULES

1. This is an open modified truck class. Trucks MAY be hauled to the pull.

2. No studded tires or tire chains. Tires may be cut. Diesel trucks with dual rear wheels (2WD and 4WD) may enter and run in this class.

3. Pulling hitches are permitted. Hitch point may not be more than 26” from the ground. The hook point must be the furthest point to the back of the truck. Hook point must be past the bed of the truck if there is no bumper, or past the end of the bumper. Each truck driver must supply his/her own twisted clevis. The hole for hitching must accommodate a minimum of 3.5 inches across.
4. No aluminum engine blocks are permitted unless OEM. No open headers will be allowed. Diesel fuel additives are permitted. Dual turbochargers are permitted.
5. Solid suspensions are permitted. Lift kits are acceptable. Traction bars may be used.
6. Weights on the front of vehicles must be securely fastened to truck and must not extend more than 60 inches from the center line of the front wheels. No snowplow blades are allowed. Snowplow frames are acceptable. The wheel base may not be changed from the original manufacturer. Wooden flatbeds are permitted.
7. Drivers MUST wear a helmet in this class.
8. SEE OPERATION OF CONTEST RULES.

PROTEST PROCEDURE

1. All protests must be made in writing and submitted and signed within five (5) minutes of class being protested has completed. Protest must clearly define three items, (A) Who is protested, (B) What they are protested for, limited to one (1) item per protest, and (C) who is protesting.
2. All protest fees will be in cash. If protested vehicle is found legal, then fee will be forfeited to person found legal. If vehicle is illegal, then vehicle is disqualified with a loss of purse & points and fee is returned to protestor.
3. Fee for protest is as follows:
   A. Cubic inch-$1000. Complete tear down. A 1% variance will be given for wear and tear. $100 from protest fee for teardown is paid to the OFFICIAL in charge of the teardown. Remainder of teardown fee is returned to protestor or given to protested party pending outcome of teardown.
   B. Fuel, Visual, Turbo, Performance Enhancements, etc. - $500. Any competitor knowingly competing with a performance enhancing equipment or illegal fuels and verified by a Head Tech Official at the event will be disqualified for a period of one year and ten days and including actions discovered by protests, at all associated Fair events.
4. The officials and the protested are the only people allowed near the vehicle during protest.
5. Anyone causing disruption during a protest will be disqualified.
BOONVILLE FAIR HISTORY

The Boonville Fair Association was incorporated in the year 1888 under Chapter 248 of the Laws of 1872, as amended. The incorporators were H.W. Bentley, C.C. Tharratt, J. Hoyt, F.A. Willard, W.W. Roberts, W. Ray Tanner, George H. Beck, Charles E. Thompson, F. W. Owens, Charles Kilkeney, and R. R. Roberts, and the same persons were named in the certificate of incorporation as directors of the first year.

At a meeting of the Board of Directors held at the Hublert House at Boonville, New York, June 12, 1888, the following officers were elected: President J. J. Hoyt; vice-president, C.E. Thompson; secretary, F.W. Owen; treasurer, R.H. Roberts.

Mr. Hoyt continued as president for three years and was succeeded by B.C. Tharratt, who was president for the year 1891. Following Mr. Tharratt, E.B. Austin was president for four years. He was followed by Charles E. Thompson, who was president during the year 1896. B.A. Capron was president for the years 1897 and 1899; Frank W. Smith, president during the year 1898; G.A. Willard, 1900, 1901, and from 1906 to 1913; Fred M. Woolley, 1902 and 1903; Henry McClusky, 1904 and 1905; C.R. Spany in was elected in 1914 and continued in that capacity to 1933, when Tharratt G. Best was elected. Mr. Best served in 1933 and was followed by C.A. Musser, 1934-1935. In 1936, C.R. Spany took the presidency until his death in June 1936. Since then, Mr. Musser capably served until 1940, and Romyem Vaughn 1940 until his death in October 1961. Walter Flint served from October to December 1961. E.R. Hargrave was president at that time and served until November 1964. Newell F. Wagoner has served as President since 1964. Mr. Wagoner served as President of the N.Y. Association of Agricultural Fairs 1978-1979.

The first secretary was F.W. Owen, who held office for two years. He was followed by C.D. Kau in 1890. Henry McClusky was secretary for the years 1891, 1892, 1893, 1895 and 1899. In 1896 Charles J. Lewis was elected secretary and served for one year. He was followed by W.H. McClusky, who served for two years. In 1900, H.B. Belknap was elected secretary and served one year. He was followed by Charles G. Cavanagh, who served for one year. In 1902, George L. Birdsley acted as secretary for one year and in 1903, H.J. Vollmar was elected and served until 1914, when F.A. White was selected who served until his death in 1932, when Perley S. Babcock was elected. Ronald Ryder took over for 1934-1935-1936 and was followed by Romyem Vaughn who served until 1940.

Prior to the organization of The Boonville Fair Association, the Boonville Union Agricultural Society, which was organized in 1871, held fairs for a number of years with a reasonable degree of success on the grounds leased by it of the Boonville Driving Park Association. This society gradually declined and finally went out of existence and was succeeded by the present association.

The first Fair held by the Boonville Fair Association was on the dates of September 11, 12, 13, and 14, 1888, on the grounds leased by it of the Driving Park Association, which is the present location, except that considerable land has been added since that time.

In 1905, the Association purchased the lands, which were at that time known as the fair ground property and which included what was known as the Avery house and lot of W.R. Tanner. This consisted of about 17 acres of land. Later, about 10 more acres of land was purchased. In 1970, three acres of land was purchased from the Adirondack School District. Extensive reclamation was necessary to utilize this property. Also extensive improvements have been made throughout the various years from the proceeds derived from the operation of the Fair.

Distinguished Persons at the Fair

During the years of the fair, many people prominent in the world of affairs have been present, notable Ex-President William Howard Taft, who made an address from the grandstand before a large assemblage of people. The rain came down in torrents but notwithstanding it was one of the most notable of days in the history of the fair. Alexander Graham Bell, the inventor of the telephone, made an address here.

On August 4, 1972, the Fair Association honored the newly appointed Commissioner Frank Walkley, declared the day Frank Walkley Day and presented him with a plaque. On August 6, 1971, the Fair Association honored Commissioner Wickham on his anticipated retirement and declared the day Donald J. Wickham Day. A plaque was awarded Mr. Wickham.

On August 5, 1942, Thomas E. Dewey, former governor of New York State, accompanied by several prominent Uticans, was guests of the Boonville Fair Association, at which time Mr. Dewey was the guest speaker. On August 5, 1966, Nelson Rockefeller, Governor of New York State, greeted the crowds, participated in the Tractor Pulling Contest and gave a short address from the stage.

On August 6, 1971, the Fair Association honored Commissioner Wickham on his anticipated retirement and declared the day Donald J. Wickham Day. A plaque was awarded Mr. Wickham.

On August 5, 1942, Thomas E. Dewey, former governor of New York State, accompanied by several prominent Uticans, was guests of the Boonville Fair Association, at which time Mr. Dewey was the guest speaker. On August 5, 1966, Nelson Rockefeller, Governor of New York State, greeted the crowds, participated in the Tractor Pulling Contest and gave a short address from the stage.

On August 6, 1971, the Fair Association honored Commissioner Wickham on his anticipated retirement and declared the day Donald J. Wickham Day. A plaque was awarded Mr. Wickham.

On August 5, 1942, Thomas E. Dewey, former governor of New York State, accompanied by several prominent Uticans, was guests of the Boonville Fair Association, at which time Mr. Dewey was the guest speaker. On August 5, 1966, Nelson Rockefeller, Governor of New York State, greeted the crowds, participated in the Tractor Pulling Contest and gave a short address from the stage.
The Boonville Fair celebrated its 100th Anniversary July 25-31, 1988, with great entertainment and fine but hot weather. Visiting the Fair were the Garfield Cadets, National Junior Drum Corps, Herb Read and the original Platters, the famous Budweiser Clydesdales, Joe Chitwood Chevy Thunder Show, and Louise Mandrell. On Wednesday evening Porter Wagener entertained and was Master of Ceremonies for a birthday celebration with a cake that served 4000 grandstand patrons. That evening was climaxed with a great fireworks display. All grandstand shows were free and there were other fine shows along with the Coleman Bros. Midway. Of special interest was the conversion of the Executive Office into a delightful and interesting Museum decorated with artifacts, old pictures, displays, and carnival glass, as well as having a continuous slide show of past fairs. Many other events were held and the fair set a new attendance record, exceeding 50,000 people.

In December 1992, a new Executive Office was completed for year-round use. With grants form both the County and State several major repairs were made. 1994-95 the grandstand was rebuilt and new bleachers added. In 1997 a new cattle barn was constructed. In 1998 a major midway was paved with slide from Coleman Bros. Shows, and 1999 marked the 50th anniversary of the Coleman Shows at the Fair.

Marilyn Trainer served as president of the N.Y. Association of Agricultural fairs 1998-99. Class acts have been appearing such as Blackhawk in 1997, Diamond Rio in 1998 and Martha McBride in 1999. In 2000 the Fair had to cancel the Lorrie Morgan show because of inclement weather. Shotgun Red, Steve Hall and The Shot Gun Red Band made their first appearance to the 2001 Boonville Fair. Nathan L. Rudgers Agricultural Commissioner was present for the 100 years of 4-H and Legislators' BBQ. In 2003 Mr. Newell Wagoner celebrated Forty Years as President of the Fair and Alberta Schallenberg celebrated 67 years as a 4-H Volunteer Leader. Governor George Patacki made a special visit to the Fair on Saturday July 26, 2003. The Boonville Fair in 2005 had a return visit from Governor George Patacki, with great weather, the fair saw an increase in attendance over the 2004 Fair. In 2006 the Boonville Fair had a change in management, after 42 years as president Newell Wagoner retired and Harlan Bellinger took over as president. The weather had an effect on the attendance at the Fair, Black-Hawk returned to the stage for a country and western show, the weather again had an effect on the attendance of the show, although those who attended enjoyed a great performance from the group. Two new pole barns were built on the Fair Grounds with grants received. One was a new cattle barn and the other was used as the show pavilion these barns were an added attraction to the fair. Tommy Cash appeared with his band and Craig Wilkins and his band preformed for a Saturday night concert.

The 2008 Fair saw several rainy days and nights, by the end of the week skis cleared for Friday and Sunday. Saturday was the first time for a Monster truck show and even through rain came the show went on. We had racing pigs return to the Fair and it was a great show.

The 2009 Boonville Fair was a successful Fair considering the bad weather that caused several Fairs in NY to close down. We had several changes that were a benefit to the Fair and the over all attendance was about the same considering a few days of rain. Mr. Newell Wagoner was the Grand Marshall for the 129th Boonville Fair Parade and it was truly an honor as Newell has been a member of the Boonville Fair for over 50 years. Fred Kline celebrated his 50th year of managing the NY State Sire Stakes and was recognized for his commitment to this event. It was a very successful event for the Fair as over 100 horses raced on that day.

The Boonville Fair is still very much an Agriculture Fair and will continue with that tradition with the many events that are put on during the week. The 124th Boonville Fair started off on a sad note with the death of George Kahler. For a number of years George was superintendent of the commercial building. He rode around the grounds in his orange cart with his wife Gail by his side. Gail passed away a few weeks after George. Their love for the fair and dedication will always be a treasure to remember. Charles Mahaffy was Grand Marshall for the parade and praised for his dedication to the Fair. The fair was a successful event and the directors look forward to the celebrating the "125th" in 2013.

The 125th Boonville Oneida county Fair was off to a great start, but again the weather played a major part in the attendance during the week, with only a few nice days and a rainy weekend we still were able to bring to the area and Agriculture Fair that will continue to be a tradition to Oneida County. The concert on Saturday night was held even the rains came and the crowd was few, the Fox Brothers gave a 100% performance and a gigantic fireworks display display returned to the grounds to make a rainy but wonderful evening. We look forward to the 126th Boonville Fair with a few changes that will be a welcome site for everyone who attends.

The 126th Boonville Oneida County Fair was one of the best fairs that was held on the fairgrounds in a few years, the weather played a big part with the success of the Fair that was noted all week. Attendance was up along with more vendors and two great free shows. The Us FMX motorcycle stunt show came to the Fair on Saturday and was spectacular with mid-air maneuvers and insane back flips. Erin Hamlin was the grand marshal for the parade and signed autographs after the parade. 4-H members did a fantastic job showing off their skills and the Fair was well represented at the State Fair in Syracuse. Several new members were introduced to the Fair Board. In April Gene Hendrickson, a member of the Fair Board for over 30 years passed away. Mr. Newell Wagoner gave up his position as Fair Secretary, but still remains a very important member of the Boonville Oneida County Fair. The Association is looking forward to the 127th Fair and excitement.

The 127th Boonville Fair had a great week, with great exhibits and a fantastic display under the grandstand and all around the Agriculture barns showed that the Fair is truly an Agricultural Fair. The midway was once again a great entertainment area for kids of all ages with the Coleman Brothers doing an excellent job as always. The highlight of the fair was a return to country music to the grandstand. Josh Turner entertained at the grandstand to a sold out audience. It was a fantastic show with a huge fireworks show following the concert. The Fair Association is looking forward to another fantastic 128th Fair.

It is understood that The Boonville Fair Association cannot and will not be held responsible if due to accident or causes beyond our control, delivery cannot be made, because of mechanical breakdown of equipment or transportation.

Signature: _______________________________
These rules and regulations replace and/or are in addition to the rules in the printed form attached.

1. ALL drivers must have a valid driver’s license. Drivers must be 21 years of age, or, if 16 to 21 years of age, they must have a notarized minor’s release signed by their parent or guardian.
2. Batteries can be inside the car, in a battery box, properly secured to the floor in the front or in the rear seat area of the passenger side.
3. Tires: All wheel weights must be removed from rims. NO studded tires.
4. Cars with plastic bumpers must have front and rear bumpers removed. NO bumper swaps. NO welding on bumpers or brackets. Extra bolts can be used to hold bumpers on.
5. Frames must be stock; cannot be altered or reinforced. If there is any welding on frame for repair or rust, it needs to be inspected.
6. No steel bars or pipes behind front seat. You can use cables, chains or ratchet straps behind the seat.
7. Doors, trunks and hoods – no bolting or welding shut. If welding door, welds cannot be more than 3” in length. Same for trunks with a maximum of 2 welds.
8. NO threaded rod through hood to frame.
9. NO bolts in trunk.
10. NO shaping or bending of bodies, bumpers or crimping of side panels. If you qualify with the car for a feature, this does not apply.
11. NO gas lines inside of car.
12. Jeeps, SUVs and small trucks (S-10, Ranger) will run with the mini vans.

Lowville Demo Only: No full size trucks.
RULES & REGULATIONS:

A. All drivers and mechanics must read over the rules and regulations and in the interest of safety, the drivers and mechanics must obey the following set of rules and regulations set up by the promoter and track officials where the event is being held.

B. Drivers must be 21 years of age or they must have a notarized minor's release, signed by the parent or guardian.

C. Only drivers, owners, mechanics, etc., who sign the release sheet, will be permitted in the pit area and allowed to compete in the events.

D. Officials reserve the right to accept or reject any and all applications.

E. Contestants of the Demolition Derby are not employees of E & M Productions or the Fair Association where the events are held but are independent contractors.

F. The promoters, Track Owners, or Fair Association will not be held responsible for any cars, parts, or personal property before, during or after the event or overnight. All cars must be off the grounds on the same day of the event, unless told differently.

G. NO DRINKING of alcoholic beverages by driver or crew during events. The conduct of driver or crew can disqualify the driver from the events.

H. ENTRIES: At fairs having 1 DEMO, no more than 2 cars can be entered by one person in separate heats. Fairs having 2 DEMOS, 2 cars can be entered in each Demo by the same person.

CAR PREPARATION:

1.) Any American made hardtop automobile or station wagon is allowed. No trucks, convertibles, hearses or limousines are allowed.

2.) Compact Car Rules:
   A. Maximum weight, 2500 lbs.
   B. Gas tank rule same as other cars
   C. No 4 wheel drive cars (they can be made into a 2 wheel drive).

3.) No batteries will be allowed in the driver's compartment or trunk. Must be under the hood; does not have to be in original position there; only 1 battery permitted.

4.) All dirt and loose pieces must be swept out of car. No tires, wheels or metal parts, etc., allowed in the car.

5.) Regular gas tank will be replaced with a made-up tank not to exceed from 5 to 8 gallons of gas. Tank material MUST NOT BE LESS THAN 20 GAUGE and NO HEAVIER THAN 1/8". This tank must be securely fastened with straps or bolted in the same area as the original tank. No 5 gallon gas cans or similar cans will be allowed UNLESS they are made of material of at least 20 gauge. Example: Army type 5 gallon gas cans will be allowed. Any tank in question will be at the discretion of the Officials only. Stay in the above guidelines.

6.) No special bumpers or any reinforcements will be allowed.

7.) Roll over bars are allowed but not required.

8.) Windshields may be in or not. All other glass will be removed: side windows, rear windows, head and tail lights, side markers.

9.) All mouldings must be removed, any sharp Fins protruding must be cut off or mashed down.

10.) Rear seat lower cushions can be removed, rear seat back must remain.

11.) Radiators must be in their original position or they can be removed, the fan may also be removed. No water tanks allowed.

12.) Hood changes: One of the following 2 changes must be used. 1) Looks, catches and springs can remain intact if a 8" - 10" square or diameter hole is cut over the top of the carburetor; 2) Or the removal of the locks, catches and springs and install a chain so that the hood can be lifted 4" - 6" in case of fire.

13.) Hoods, trunk lids, tail gates cannot be welded because of inspection. After inspection, trunk lids and tail gates may be wired or chained down, the hood changes are stated in #12.

14.) All doors must be fastened shut by wire, straps, chains or welded for driver's safety.

15.) Engines may be chained down, fenders may be cut for wheel clearance only as well as bumper ends.

16.) No obscene language written on cars allowed.

17.) Cars must be able to be turned off with key or on-off switch.

18.) All radiators must have water, no antifreeze allowed.

19.) Driver's door must be painted white. White cars must have orange driver's door.

20.) Print driver's name on roof above door on each side of car.

RUNNING & EVENT SAFETY:

1.) Safety belts and approved helmet are required; if windshield is removed, goggles or face shield are also required.

2.) NO DELIBERATE head-on collisions or hitting of the driver's door.

3.) A vehicle will be disqualified if the driver's door comes open or if the gas tank ruptures.

4.) A 2-minute limit will be enforced by track officials; competitive contact must be made within this time period or the car in question will be considered "sand bagging."

5.) Any questions arising at an event not covered in these rules and regulations will be decided at the event by the officials. Car removal will be explained at pit meeting.

6.) All drivers must wear goggles or face shields.

7.) Weekday shows: All cars must be signed in 1/2 hour before show time. If not, there will be a charge of $10.00 extra time on top of regular entry fee.

8.) Weekend shows: All cars must be signed in 1 hour before show time. If not, there will be a charge of $10.00 extra time on top of regular entry fee.

9.) Best appearing car will receive $80.00 for fair with one show and $40.00 each night with two shows.
NEW RULES:
1.) Cars with fuel injection and that have fuel pump in the tank may leave original fuel tank in car but must have added straps. Tank is limited to 5 gallons of gas.
2.) Cars must have stock suspension and must be level and stock height.
3.) You cannot run over-sized tires.
4.) No Imperials
5.) Mini Vans will be allowed, (same rules)
